20. Any bond resolution of an improvement authority providing for or authorizing the issuance of any bonds may contain provisions and such improvement authority, in order to secure the payment of such bonds and in addition to its other powers, shall have power by provision in such bond resolution to covenant and agree with the several holders of such bonds, as to:

(1) the custody, security, use, expenditure or application of the proceeds of the bonds;

(2) the construction and completion, or replacement, of all or any part of the recreational system;

(6) pledging, setting aside, depositing or trusteeing all or any part of the system revenues or other moneys of the recreation authority to secure the payment of the principal of or interest on the bonds or any other obligations or the payment of expenses of operation or maintenance of the recreational system, and the powers and duties of any trustee with regard thereto;

(7) the setting aside out of the system revenues or other moneys of the recreation authority of reserves and sinking funds, and the source, custody, security, regulation, application and disposition thereof;

(11) limitations on the issuance of additional bonds or any other obligations or on the incurrence of indebtedness of the recreation authority;

(12) limitations on the powers of the improvement authority to construct, acquire or operate, or to consent to the construction, acquisition or operation of, any structures, facilities or properties which may compete or tend to compete with the recreational system;

(13) vesting in a trustee or trustees such property, rights, powers and duties in trust as the improvement authority may determine which may include any or all of the rights, powers and duties of the trustee appointed by the holders of bonds pursuant to section 21 of this act, and limiting or abrogating the right of such holders to appoint a trustee pursuant to section 21 of this act or limiting the rights, duties and powers of such trustee;

(14) the procedure, if any, by which the terms of any covenant or contract with, or duty to, the holders of bonds may be amended or abrogated, the amount of bonds of holders of which must consent thereto, and the manner in which such consent may be given or evidenced; or

(15) any other matter or course of conduct which, by recital in the bond resolution, is declared to further secure the payment of the principal of or interest on the bonds and to be part of any covenant or contract with the holders of the bonds.

All such provisions of the bond resolution and all such covenants and agreements shall constitute valid and legally binding contracts between the improvement authority and the several holders of the bonds, regardless of the time of issuance of such bonds, and shall be enforceable by any such holder or holders by appropriate action, suit or proceeding in any court of competent jurisdiction.

C. 40:37A-21.
Procedure
in case of
default.

21. (a) If the bond resolution of an improvement authority authorizing or providing for the issuance of a series of its bonds shall provide in substance that the holders of the bonds of such series shall be entitled to the benefits of this section, then if there

shall be a default in the payment of principal of or interest on any bonds of such series after the same shall become due, whether at maturity or upon call for redemption, and if any such default shall continue for a period of 30 days, or if the improvement authority shall fail or refuse to comply with any of the provisions of this act or shall fail or refuse to carry out and perform the terms of any contract with the holders of any such bonds, and if such failure or refusal shall continue for a period of 30 days after written notice to the improvement authority of its existence and nature, the holders of 25% in aggregate principal amount of the bonds of such series then outstanding by instrument or instruments filed in the office of the Secretary of State and proved or acknowledged in the same manner as a deed to be recorded, may appoint a trustee to represent the holders of the bonds of such series for the purposes provided in this section.

(b) Such trustee may and upon written request of the holders of 25% in aggregate principal amount of the bonds of such series then outstanding shall, in his or its own name:

(1) By any action, or other proceeding, enforce all rights of the holders of such bonds, including the right to require the improvement authority to charge and collect facility charges adequate to carry out any contract as to, or pledge of, system revenues, and to require the improvement authority to carry out and perform the terms of any contract with the holders of such bonds or its duties under this act;

(2) Bring an action upon all or any part of such bonds or interest coupons or claims appurtenant thereto;

(3) By action, require the improvement authority to account as if it were the trustee of an express trust for the holders of such bonds;

(4) By action, enjoin any acts or things which may be unlawful or in violation of the rights of the holders of such bonds; or

(5) Declare all such bonds due and payable, whether or not in advance of maturity, upon 30 days' prior notice in writing to the improvement authority and, if all defaults shall be made good, then with the consent of the holders of 25% of the principal amount of such bonds then outstanding, annul such declaration and its consequences.

(c) Such trustees shall, in addition to the foregoing, have and possess all of the powers necessary or appropriate for the exercise of the functions specifically set forth herein or incident to the general representation of the holders of bonds of such series in the enforcement and protection of their rights.

(d) In any action or proceeding by such trustee, the fees, counsel fees and expenses of the trustee and of the receiver, if any, appointed pursuant to this act, shall, if allowed by the court, constitute taxable costs and disbursements, and all costs and disbursements, allowed by the court, shall be a first charge upon any service charges and system revenues of the improvement authority pledged for the payment or security of bonds of such series.

C. 40:37A-22.
Appointment
of receiver;
powers.

22. If the bond resolution of an improvement authority authorizing or providing for the issuance of a series of its bonds shall provide in substance that the holders of the bonds of such series shall be entitled to the benefits of section 21 of this act and shall further provide in substance that any trustee appointed pursuant to said section or having the powers of such a trustee shall have the powers provided by this section, then such trustee, whether or not all of the bonds of such series shall have been declared due and payable, shall be entitled to the appointment of a receiver of the recreational system, and such receiver may enter upon and take possession of the recreational system and, subject to any pledge or contract with the holders of such bonds, shall take possession of all moneys and other property derived from or applicable to the acquisi-

tion, construction, operation, maintenance or reconstruction of the recreational system and proceed with such acquisition, construction, operation, maintenance or reconstruction which the improvement authority is under any obligation to do, and operate, maintain and reconstruct the recreational system and fix, charge, collect, enforce and receive the facility charges and all system revenues thereafter arising subject to any pledge thereof or contract with the holders of such bonds relating thereto and perform the public duties and carry out the contracts and obligations of the improvement authority in the same manner as the improvement authority itself might do and under the direction of the court.

23. Neither the members of the improvement authority nor any person executing bonds issued pursuant to this act shall be liable personally on the bonds by reason of the issuance thereof. Bonds or other obligations issued pursuant to this act shall not be in any way a debt or liability of the State, and bonds or other obligations issued by an improvement authority pursuant to this act shall not be in any way a debt or liability of the State or of any county and shall not create or constitute any indebtedness, liability or obligation of the State or of any county, except of the county which in accordance with this act shall have guaranteed payment of the principal and interest on such bonds. Nothing in this act contained shall be construed to authorize any improvement authority to incur any indebtedness on behalf of or in any way to obligate the State or any county except as in this act expressly provided.

C. 40:37A-23.
No personal
liability of
members or
issuing
officials.

24. The tax thus imposed shall be assessed, levied and collected in the same manner and at the same time as other taxes upon real and personal property are assessed, levied and collected. The governing body of each municipality shall cause to be paid to the county treasurer of the county in which such municipality is located, on or before December 15 in each year, the amount of tax herein directed to be assessed and levied, and the county treasurer shall pay the amount of said tax to the State Treasurer on or before December 20 in each year.

18. Should the State Treasurer by December 31 of any year deem it necessary, because of insufficiency of funds to be collected from the sources of revenues as hereinabove provided, to meet the interest and principal payments for the year after the ensuing year, then the treasurer shall certify to the Comptroller of the Treasury the amount necessary to be raised by taxation for such purposes, the same to be assessed, levied and collected for and in the ensuing calendar year. In such case the Comptroller of the Treasury shall, on or before March 1 following, calculate the amount in dollars to be assessed, levied and collected as herein set forth in each county. Such calculation shall be based upon the corrected assessed valuation of such county for the year preceding the year in which such tax is to be assessed, but such tax shall be assessed, levied and collected upon the assessed valuation of the year in which the tax is assessed and levied. The Comptroller of the Treasury shall certify said amount to the county board of taxation and the county treasurer of each county. CHAPTER 13

AN ACT to provide for an interstate compact with the State of New York to create a metropolitan transit district for the North Jersey-New York Metropolitan Area, and prescribing the functions, powers and duties thereof.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

1. The State of New Jersey hereby agrees with the State of New York, upon the enactment by the State of New York of legislation having the same effect as this section, to the following compact:

C. 32:22A-1.
Agreement
with State of
New York.

ARTICLE 1

LEGISLATIVE FINDINGS AND POLICY

1.1. Findings and Purpose. The Legislatures of the State of New York and the State of New Jersey, respectively, hereby acknowledge receipt of the report of the Metropolitan Rapid Transit Commission of the 2 States (New York Laws of 1954, chapter 801 and New Jersey Laws of 1954, chapter 44) and note its findings of fact and conclusions and recommendations. The respective Legislatures hereby find and declare that:

C. 32:22A-2.
Legislative
findings and
policy.

Provision for efficient and proper transportation of commuters and other persons by public transit methods within the New York-New Jersey metropolitan area is essential in the public interest.

Recent trends toward decay of existing systems, particularly in respect to transportation services crossing the Hudson river, have created a condition of impending emergency requiring prompt action on an interim basis for the establishment of an operating system designed mainly on the best use of existing facilities and equipment at the least financial hardship upon the operators thereof consistent

New Jersey State Library

with public needs, pending the development of a proper and acceptable general plan.

The transit needs of the area call for prompt development of a co-ordinated and integrated use of existing facilities, equipment and services. It is the purpose of the States to provide the method by which such needs can most likely be served, as well as for the preparation of a general plan or plans for a more permanent resolution of the existing problems.

Present uncertainties as to the nature and extent of any acceptable and feasible general plan, as well as to the capital and operating cost of the same, require that such questions be inquired into upon the basis of experience accumulated in the operation of an interim plan. The preparation and execution of an interim plan as well as the preparation of a general plan can and should be accomplished by a metropolitan transit district, to serve as a regional agency of the States and to have the full assistance, support, co-operation and participation by all persons and agencies, private and public, of any 1 or more of the States within the proper limits of its own functions and duties.

C. 32:22A-3.
Means to be
employed.

1.2. The Means to be Employed. The Legislatures of the States of New York and New Jersey, respectively, further find and declare that the transportation requirements of the New York-New Jersey metropolitan area require concurrent action of the 2 States to create a metropolitan district, vesting it with such powers and duties as are necessary and proper for its initial functions, and providing for such additional powers and duties on its part, as well as on the part of others, as the interim or general plans prepared by it and approved by concurrent legislation may indicate to be required.

ARTICLE 2

GENERAL PROVISIONS

(5) "Concurrent legislation" shall mean a statute adopted by any of the States party to this compact which is concurred in by each of the other States party to this compact in the form of a like enactment.

This compact shall be liberally construed to effectuate these purposes.

facilities, equipment and services, so that there may be established a transportation system making the best possible use of existing facilities, equipment and services, and of such additional facilities, equipment and services as may be proposed as the result of such negotiations and agreements, consistent with the greatest possible reduction in financial deficit or deficits arising therefrom, if any, on the part of the contracting operators thereof. All such negotiations shall be directed to the execution of operating and facility agreements which shall contain provisions rendering the same binding upon the parties thereto on condition that all related agreements therein specified shall be entered into and that all of the agreements, as outlined in the interim plan hereafter provided for, be approved by concurrent legislation;

(b) Upon the basis of such negotiations and agreements, to prepare for submission to the Governors and Legislatures of the several States, an interim plan for the most efficient use of existing facilities, equipment and service, and of such additional facilities, equipment and services as may be provided for in such agreements, all by the present operators thereof whenever possible, for the approval thereof by concurrent legislation. (d) The district is authorized to negotiate and enter into agreements for and prepare an interim plan for submission to the Governors and Legislatures encompassing such part or parts of public transit operations within the district as it deems may require action on an emergency basis, or on a partial basis; and it may negotiate and enter into agreements for and prepare other interim plans of like nature from time to time.

(e) Any such plan shall also set forth any provisions considered necessary by way of modification, amendment or supplement to this compact in order to effectuate the said plan, so that concurrent legislation for that purpose may be adopted, and any such concurrent legislation shall be sufficient to accomplish such modification, amendment or supplement.

(f) All of the terms and conditions of any interim plan or plans so approved by concurrent legislation, and any amendments thereof or supplements thereto, similarly approved, as well as the agreements annexed thereto, shall, in accordance with such concurrent legislation, take effect according to their terms and shall not be subject to the provisions of any law of any of the States insofar as the same might otherwise require submission to and approval by any governmental agency or agencies having jurisdiction thereof pursuant to such law.

In the preparation thereof, the district shall be guided by expressions of local policy on the part of the advisory council and the Governors and Legislatures of the States.

(c) Said general plan shall also provide for methods of financing its implementation, to the extent necessary; and, in case of doubt as to which of several available methods should be adopted, the plan shall set forth the alternatives in detail, so that the method or methods to be employed may be determined by concurrent legislation, but it shall not be necessary for the same method to be employed within all of the States. No such plan shall provide for financing by means of any tax on the real and personal property within the borders of the district.

(d) Said general plan shall also contain such proposals for the modification, amendment or supplement of this compact, as to the structure, administration and powers of the district and of any person, corporation or agency with which it may deal, as may seem necessary to properly implement said plan.

(e) Said general plan shall also contain suitable provision with respect to the providing and operating of facilities or services for the evacuation or transfer of persons within or through the district by way of implementation of a Civil Defense Operational Survival Plan, to the extent deemed necessary and feasible.

(f) Upon the approval of such general plan by concurrent legislation, the plan shall thereupon have full force and effect according to its terms as so approved, and all persons natural or artificial who are called upon to act in performance thereof shall thereupon be authorized and empowered to carry out the terms thereof and to have all of the powers, rights and duties provided for therein or in the concurrent legislation.

Agreement
with State
of New York. | 1. The State of New Jersey hereby agrees with the State of New York, upon enactment by the State of New York of legislation having the same effect as this section, to the following compact: |

ARTICLE 1

LEGISLATIVE DECLARATION

1.1. Findings and Policy. The Legislatures of the State of New York and the State of New Jersey, respectively, hereby find and declare that:

C. 32:22A-2.
Legislative
findings
and policy.

(a) Provision for efficient and proper transportation of commuters and other persons by public mass transit methods within and between the States of New York and New Jersey is essential to the commerce, defense, and general welfare of the 2 States, and is in the public interest.

(b) Recent trends toward decay of existing mass transit systems, particularly in respect to those carrying passengers to or across the Hudson river or both, have created a condition of impending emergency requiring prompt action for the establishment on an interim basis of an operating system or systems designed to make the most effective use of existing facilities and services with the least financial hardship upon the operators thereof consistent with public needs.

(c) The present and future transit needs of the 2 States call for prompt development of an interim plan for the co-ordinated and integrated use of existing transit facilities and services, as well as for preparation of a long-range plan for a more permanent resolution of these problems. Present uncertainties as to the nature and extent of any acceptable and feasible long-range plan, as well as to the capital and operating cost of such a plan, require that such questions be inquired into upon the basis of experience accumulated in the operation of an interim plan.

(d) It is therefore the policy of the 2 States to provide a method for the common handling and disposition by a single agency of the 2 States of those phases of the development and execution of an interim plan and the preparation of a long-range plan with which either of the States, acting alone, cannot deal effectively.

(e) The development and execution of an interim plan, as well as the preparation of a general plan, can and should be accomplished by a bi-state agency, to serve as an agency of the States and to have the full assistance and co-operation by all persons and agencies, private and public, of either or both of the States within the proper limits of its own functions and duties.

C. 32:22A-3.
Means to be
employed.

1.2. Means to be Employed. The Legislatures of the States of New York and New Jersey, respectively, further find and declare that the common aspects of the transportation requirements of the 2 States require concurrent action of the 2 States to create a bi-state agency, vesting it with such powers and duties as are necessary and proper for its initial functions, and providing for such additional powers and duties on its part as subsequent concurrent legislation may provide.

ARTICLE 2

GENERAL PROVISIONS

C. 32:22A-4.

(c) "Transit," "transit service," "mass transit service" or any like term means those activities in the 2 States that are directed primarily to the transportation of commuters interstate by common carrier and secondarily to such transportation of commuters intrastate and of all other persons interstate and intrastate.

(d) "Concurrent legislation" means a statute adopted by 1 of the States party to this compact which is concurred in by the other State party to this compact in the form of a like enactment.

2.2. Interpretation of the compact. The States of New York and New Jersey intend by this compact to exercise the powers reserved to the States under the Constitution of the United States with regard to transit services by whatever facilities or combination thereof are found necessary and proper. This compact shall be liberally construed to effectuate such intention. Nothing contained herein shall be deemed in any way to limit or restrict the power of either State by law or otherwise to deal independently within its own boundaries as to any matter within the scope of this compact so long as any action taken is not in conflict with any plan approved by concurrent legislation.

of compact.

scope.

2. The said commissioner shall supervise the administration of the Amusement Games Licensing Law and he shall from time to time make and promulgate rules and regulations governing licenses issued pursuant to said law, and the holding, operating and conducting of amusement games under such licenses. The said rules and regulations shall have the force of law and shall be binding upon all municipalities issuing such licenses and upon all licensees thereunder. The purpose of the said rules and regulations shall be to insure the issuance of such licenses to qualified licensees only and to provide that the amusement games shall be fairly and properly conducted in accordance with said law and to provide uniformity in the administration of said law throughout the State. The commissioner shall prescribe forms for applications for licenses, amendments of licenses, reports of the conduct of games and other matters incidental to the administration of said law.

The said rules and regulations shall also provide for applications to, and certifications by, the commissioner with respect to the specific kind of game or games intended to be held, operated and conducted, and the rules for the playing of the game or games and that they are of the character permitted by the Amusement Games Licensing Law. Whenever the commissioner shall deem it to be necessary, the said certifications may impose a limit or limits on the number of prizes or the number of specific kinds of games which may be held, operated or conducted by any 1 licensee, directly or indirectly, or in which such licensee or other person having an interest therein may have an interest,

and also for such other controls as the commissioner shall deem to be suitable and proper, particularly such as shall be ascertained from the experience of operations under said law and this act. The said certifications shall also be designed to prevent monopoly, undue or unfair competition among licensees or with operations conducted pursuant to the Bingo Licensing Law (P. L. 1954, c. 6) or the Raffles Licensing Law (P. L. 1954, c. 5), and to prevent false, misleading or uninformative representations or concealment and to restrict excessive advertising or other acts, conduct or behavior which may tend to a misuse of the activities permitted by the Amusement Games Licensing Law or the participation in the benefits of the carrying on of activities thereunder, directly or indirectly, by or for the benefit of any person or persons not eligible to receive licenses thereunder.

The said rules and regulations may also provide for and establish procedures, forms and other documents in connection with the application for, and the issuance of, licenses, determinations thereon, hearings, appeals, grants, refunds, suspensions or revocations of licenses, reports, questionnaires, and any other matters connected with the exercise of any power vested in said commissioner by law.

3. A copy of every rule and regulation made and promulgated by the commissioner shall be filed in the office of the Secretary of State before it shall become effective and copies thereof shall be made available to the various municipalities operating under said law.

8. It shall be the duty of the commissioner to carry on continuous study and investigation of the operation of the Amusement Games Licensing Law, and the administration thereof by the several municipalities of the State, throughout the State, for the purpose of ascertaining from time to time any defects in said law, which may be discovered, by reason whereof any abuses in the administration thereof and any evasions of the terms thereof may arise or be practiced, and for the purpose of formulating and recommending improvements and changes in said law and in any other laws of the State, which the commissioner may determine to be desirable to prevent such abuses and evasions and to guard against the use of said laws as a cloak for the carrying on of organized gambling and crime, and to insure that said laws shall be in such form and be so administered as to serve the true purposes for which they were enacted, namely, the operation and conduct of the amusement games therein described.

C. 5:8-86.
Study and
investigation
of other
States' laws.

9. The commissioner shall make a continuous study and investigation also of the operation and administration of similar laws which may be in effect in other States of the United States, and of

10. The commissioner may hold investigations and hearings within or without the State and shall have power to compel the attendance of witnesses, the production of books and documents relating to transactions connected with the holding and conducting of amusement games under said law, and transactions, relating thereto, with those conducting the same by the issuance of subpoena signed by the commissioner which may be served by any person of full age.

In determining the qualification of a company requesting authority to issue or deliver "contracts on a variable basis" within this State, the commissioner will consider, among other things, (a) the history of the company; (b) the character, responsibility and general fitness of the officers and directors of the company; and (c) the regulation of a foreign company by its State of domicile.

3. No agent of any insurance company heretofore or hereafter licensed shall be authorized to sell or act or aid in any manner in the negotiation of a "contract on a variable basis" until he has received a certificate to sell "contracts on a variable basis" from the commissioner, which certificate shall not be issued by the commissioner until he has qualified by personal examination, to the satisfaction of the commissioner, as to his trustworthiness and competence to act as such agent.

4. Any contract on a variable basis delivered or issued for delivery in this State, and any certificate evidencing variable benefits issued pursuant to any such contract on a group basis, shall contain a statement of the essential features of the procedure to be followed by the insurance company in determining the dollar amount of variable benefits or other contractual payments or values thereunder and shall state in clear terms that such amount may

decrease or increase according to such procedure. Any such contract delivered or issued for delivery in this State, and any such certificate, shall contain on its first page, in a prominent position, a clear statement that the benefits or other contractual payments or values thereunder are on a variable basis.

5. (a) No contract on a variable basis shall be delivered or issued for delivery in this State by any insurance company until a copy of the form thereof (and, in the case of a contract on a group basis, the form of any certificate evidencing variable benefits issued pursuant thereto) and any form of application for such contract shall have been filed with the Commissioner of Banking and Insurance. No such form shall be issued or used until the commissioner shall give his prior written acknowledgment of the filing of such form. The commissioner shall disapprove or withdraw approval of any such contract form, application or certificate if:

C. 17:35A-5.
Forms of
contracts and

filed; approval
or disapproval
by commis-
sioner; con-
ditions.

(i) such contract or application or certificate contains provisions which are unjust, unfair, inequitable, ambiguous, misleading, likely to result in misrepresentation, or contrary to law, or

(ii) sales of such contracts are being solicited by any means of advertising, communication or dissemination of information which involves misleading or inadequate description of the provisions of the contract, or

(iii) such contracts are being issued in disregard of reasonable regulations which shall be promulgated by the Commissioner of Banking and Insurance relating to the conditions which must be met at time of issue of an individual contract on a variable basis for balance whereby (A) provision made for income from contracts on a variable basis shall not exceed (B) provision made for income payable in predetermined dollar amount (in whatever form such provision is made, including, but without limitation to, annuities, pensions, social security or other con-

tracts or plans providing for the payment of income over a period of time).

He shall notify the company, specifying particulars, of his disapproval. It shall be unlawful for such company thereafter to issue any contract or certificate thereunder or use any application in the form so disapproved. Such disapproval of the commissioner shall be subject to review by the Superior Court in a proceeding in lieu of prerogative writ.

(b) Illustrations of benefits payable under any contract on a variable basis shall not involve projections of past investment experience into the future and shall conform with reasonable regulations promulgated by the Commissioner of Banking and Insurance.

(c) No individual annuity contract on a variable basis shall be delivered or issued for delivery in this State unless it contains in substance the following provisions:

(i) that, in the event of default in the payment of any consideration beyond the period of grace allowed by the contract for the payment thereof, the insurance company will, subject to subsection (d) of this section, make payment of the value of the contract, in accordance with a plan provided by the contract, commencing not later than the date contractual payments by the company were otherwise to have commenced in accordance with the contract;

(ii) that, upon request of the contract holder received by the insurance company at least 4 months prior to the date contractual payments by the company were otherwise to have commenced, the company will, subject to subsection (d) of this section, make payment of the value of the contract, in accordance with a plan provided by the contract and selected by the contract holder, commencing as of the first day of the first month which is at least 4 months after the date of receipt of such request, unless another

date of commencement is requested by the contract holder and agreed to by the company;

(iii) that the insurance company will mail to the holder of the contract at least once in each contract year after the first, at his last address known to the company, a report in a form approved by the Commissioner of Banking and Insurance, which shall include a statement of the number of units credited to such contract and the dollar value of a unit as of a date not more than 2 months previous to the date of mailing and a statement in a form and of a date approved by the commissioner of the investment held in the variable contract account.

(d) The insurance company shall not make payment of the value of an individual annuity contract on a variable basis by surrender, loan, advance or otherwise, except on a plan providing for contractual payments, on a variable basis, for life or for at least 3 years; provided, however, that this provision shall not be applicable (i) if the value of the units credited under the contract is less than \$1,000.00 (A) on the date of default, in the case of default in payment of considerations beyond the period of grace allowed therefor by the contract or (B) in any other case, on the date as of which the dollar amount of the first contractual payment to be made by the company is determined or (ii) after the death of the annuitant.

(e) Any individual contract on a variable basis delivered or issued for delivery in this State shall stipulate the expense, mortality, and investment increment factors to be used in computing the dollar amount of variable benefits or other contractual payments or values thereunder, and shall guarantee that expense and mortality results shall not adversely affect such dollar amounts. The mortality and investment increment factors used in computing the dollar amount of variable benefits or other contractual payments or values under an individual contract on a variable basis shall not

produce a larger initial payment than would be produced by the use of the 1937 Standard Annuity Mortality Table and an annual investment increment assumption of 3%.

Any group contract on a variable basis delivered or issued for delivery in this State shall stipulate the expense, mortality and investment increment factors to be used in computing the dollar amount payable with respect to a unit of variable benefits purchased thereunder and shall guarantee that expense and mortality results shall not adversely affect such dollar amounts.

“Expense” as used in this subsection(e), may exclude some or all taxes, as stipulated in the contract. Any company issuing a contract on a variable basis shall submit annually to the Commissioner of Banking and Insurance a separate annual statement for the business of its variable contract accounts. This statement shall be on the same form as that prescribed by the commissioner for insurance companies doing business in New Jersey which do not operate variable contract accounts, and shall include details as to all of the income, disbursements, assets and liability items associated with the variable contract accounts.

The commissioner shall make a separate valuation of the assets of the variable contract accounts and a copy of such valuation shall be filed in the commissioner’s office as a public document.

Such valuation shall be on the same basis required of a life insurance company doing business in New Jersey but which has not established a variable contract account.

The commissioner shall further prescribe by regulation the steps to be taken by the company in disposing of those holdings which at any time subsequent to purchase fail to meet the standards and regulations for new investments.

Section
amended.

6. Section 17:34-19 of the Revised Statutes is amended to read as follows:

Application
of certain
provisions;
annuities.

17:34-19. The foregoing provisions of this article shall not apply to annuities or to corporations or as-

sociations operating on the assessment or fraternal plan, section 17:34-15 of this Title shall not apply to group life insurance and paragraphs "a," "b," "f," "i," "k," and "l" of said section 17:34-15 shall not apply to industrial policies. Paragraphs "f," "g," and "h" of said section 17:34-15 shall not apply to any provisions included in life insurance policies, for the payment of a larger amount of insurance if death is caused by accident or for the waiver of premiums, or for the granting of other benefits, or both, in the event that the insured becomes disabled from any cause. In every case where a contract provides for both insurance and annuities, the provisions of sections 17:34-15 and 17:34-16 shall apply only to that part of the contract which provides for insurance, but every contract issued or delivered in this State, except a contract to which the provisions of the standard nonforfeiture law (1943) contained in section 1 of this act apply, and except a contract on a variable basis, containing a provision for a deferred annuity upon the life of the insured only, unless paid for by a single premium, shall provide that in the event of the nonpayment of any premium after 3 full years' premiums shall have been paid, the annuity shall automatically become converted into a paid-up annuity for such proportion of the original annuity as the number of completed years' premiums paid bears to the total number of premiums required under the contract.

7. Should any provision or section of this act be held invalid for any reason, such holding shall not be construed as affecting the validity of any remaining portion of such section or of this act, it being the legislative intent that this act shall stand notwithstanding the invalidity of any such provision or section.

8. This act shall take effect immediately.

17:34-24. When the reserves or any part thereof of any life insurance company of this State, required by section 17:34-22 of the Revised Statutes to be computed by the commissioner or by his authority, have been computed on the basis of a higher rate of interest than 3% per annum, and as so computed, exceed \$500,000,000.00, the company shall thereupon and thereafter set aside as a part of the reserve liability on the policies of the company at the close of each year a sum equal to 6% of the increase for that year over the year preceding in the company's reserves or part thereof so computed, except that for premium-paying term insurances such increase in reserve for any year shall for the purposes of this section be deemed to be the reserve at the end of that year, but the aggregate of the sums so set aside shall not at any time exceed 5% of the reserves, except in the case of premium-paying term insurances in which case the said aggregate of sums so set aside shall not at the end of any year exceed 50% of the premiums of that year.

If the reserves or any part thereof of any such life insurance company were computed, prior to May 16, 1941, on the basis of such rate of interest as to require such company to set aside sums as provided in the preceding paragraph of this section, then such company shall set aside as a part of the reserve liability on the policies of the company at the close of each year, subject to all the above provisions respecting premium-paying term insurances and to the aggregate limit as prescribed above but based on all the reserves of such company, required by section 17:34-22 of the Revised Statutes to be computed by the commissioner or by his authority, a sum as aforesaid calculated on the increase for that year over the year preceding in all said reserves notwithstanding that said reserves or any part thereof shall have been computed on the basis of a rate of interest of 3% per annum or less.

Any other life insurance company of this State may by resolution of its board of directors become subject to the provisions of this section and thereafter shall be bound hereby. In such case, a copy of the resolution, certified by the secretary of the company, shall be filed in the office of the Commissioner of Banking and Insurance.

No part of the sums so set aside shall be used by the company for any purpose except upon resolution by its board of directors and upon the approval in writing of the commissioner. Approval shall be given by the commissioner upon proof made to him of the happening of either or both of the contingencies hereinafter set forth in paragraphs "a" and "b" of this section and upon the terms therein respectively stated, as follows:

a. In the event that the gross incurred mortality losses of the company during any calendar year have been at a rate in excess of 105% of its average rate during the preceding 5 years, the sums set aside as above provided may be reduced as of the end of the calendar year by an amount equal to the excess of the actual mortality losses for the calen-

dar year over the amount of the losses had they occurred at the rate of 105% of the average rate for the preceding 5 years.

b. In the event that the aggregate of depreciation of assets owned by the company and of losses upon realization thereof during any calendar year has been in excess of 10% of the surplus of the company as of the end of the year preceding, the sums set aside as above provided may be reduced as of the end of the calendar year by an amount equal to the excess of the depreciation and losses over the 10% of the surplus of the company at the end of the preceding year.

This section shall not apply to variable contract account reserves of a life insurance company which shall have established a variable contract account in accordance with law.

2. This act shall take effect immediately.

Section

Such certificate shall be issued by the secretary-treasurer upon payment of a fee of \$8.00 for those in active practice within the State or \$4.00 for those not practicing within the State; provided, however, that any dentist licensed after July 1 in any year shall only pay a registration fee of \$2.00 for the remainder of such year. A non-active registration certificate shall be issued to those not practicing within the State and should a nonactive registrant desire to practice during the registration year he may upon payment of an additional \$4.00 to the secretary-treasurer with the return of the nonactive registration certificate for cancellation, be issued an active certificate of registration. All active certificates so issued shall be prima facie evidence of the right of the holder to practice dentistry in this State.

Annual
certificate of
registration
required.

Every licensee holding an active registration certificate who may practice at any place other than that address for which his active registration certificate is issued shall be required to obtain from the secretary-treasurer for a fee of \$2.00 a branch office registration certificate for each and every location wherein he practices; provided, that nothing herein contained, shall be construed to require an active licensee to obtain a branch office certificate for the purpose of serving on the staff of a hospital or institution which receives no fees (other than entrance registration fees) for the services rendered by the dentist and that the dentist receives no fees or compensation directly or indirectly for such services rendered; and further provided, that nothing herein contained shall be construed to require an active licensee to obtain a branch office certificate for the purpose of rendering necessary dental services for their patients confined to their homes, hospitals or institutions.

The secretary-treasurer of the board shall, on or before October 1 each year, mail to each licensed dentist, a printed blank form to be properly filled out and returned by such licensed person to said secretary-treasurer, together with the fee herein fixed for such annual registration. Upon receipt of such form and fee, the annual certificate of registration shall be issued and transmitted. The board shall cause a notice to be inserted in not less than 3 newspapers, 1 in the city of Trenton, 1 in the city of Camden, and 1 in the city of Newark, to the effect that such annual registration will be required. Such notice shall be printed in such papers, once a week for 3 consecutive weeks between September 1 and October 1, each year. Any person who, for at least 25 years, shall have been licensed to practice dentistry in New Jersey and who desire to retire from the practice thereof, and during his retirement to refrain from practicing dentistry, upon application to the secretary-treasurer of the board, may be registered annually, without the payment of any registration fee, as a retired dentist.

The certificate of registration which shall be issued to a retired dentist shall state, among other things, that the holder has been licensed to practice dentistry in New Jersey but that during his retirement he shall not practice dentistry. The holder of a certificate of registration as a retired dentist shall be entitled to resume the practice of dentistry at any time; provided, he first shall have obtained from the secretary-treasurer an annual certificate of registration as hereinbefore provided. The license of any person who fails to procure any annual certificate of registration, or in lieu thereof an annual certificate of registration as a retired dentist, at the time and in the manner required by this section may be suspended by the board in the manner provided by sections 45:6-7 to 45:6-9 of this Title. Any license so suspended shall be reinstated at any time within 3 years from the date of such suspension upon the payment of all past due annual registration fees and an additional reinstatement fee of \$25.00. Any person whose license shall have been suspended for such cause shall, during the period of such suspension, be regarded as an unlicensed person and, in case he shall continue or engage in the practice of dentistry during such period, shall be liable to the penalties prescribed by section 45:6-13 of this Title for practicing dentistry without a license. Any person to whom a certificate of registration as a retired dentist shall have been issued who shall continue or engage in the practice of dentistry without first having obtained a certificate of registration authorizing him to resume the practice of dentistry, shall be liable to the penalties prescribed by section 45:6-13 of this Title for practicing dentistry without a license.

(b) if in any year or at any time, the funds hereinbefore appropriated to meet and satisfy the interest, principal and sinking fund payments with respect to outstanding guaranteed bonds shall be insufficient or shall not be available, then and in that case, there shall be assessed, levied and collected in each year in each of the municipalities of the counties of this State a tax on real and personal property upon which municipal taxes are or shall be assessed, levied and collected, sufficient to satisfy the annual bond obligation. The director shall certify the amount so computed to the county board of taxation and the county treasurer of each county. The State Treasurer, on or before December 31 in each year, shall determine whether the moneys of the authority so available and irrevocably pledged are sufficient to meet the annual bond obligation for the next ensuing year, and he shall, by certificate filed in his office and with the Director of the Division of Taxation, certify to said director either (a) that no amount of money need be provided in the next ensuing year by the State to satisfy its guaranty or (b) in the event that he shall find that there are not sufficient moneys so available and pledged for such purpose, the amount to be raised by taxation under section 14 (b) of this act for such purpose which shall be the balance sufficient, when added to such moneys of the authority and to such moneys as are set aside pur-

suant to section 14 (a) of this act, to satisfy such annual bond obligation.

16. If the certificate filed by the State Treasurer as provided in section 15 of this act shall disclose that there are moneys of the authority available and irrevocably pledged sufficient to satisfy the annual bond obligation for the next ensuing year, then and in that event, the receipts for said ensuing year from the source designated in section 14 (a) of this act may thereupon be considered as part of the General State Fund, available for general purposes.

CHAPTER 159

AN ACT concerning the pension fund of police and firemen, amending section 43:16-2 and supplementing chapter 16 of Title 43, of the Revised Statutes.

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

Section
amended.

1. Section 43:16-2 of the Revised Statutes is amended to read as follows:

Retirement
for disability.

43:16-2. Any member of such police or paid or part-paid fire department who shall have received permanent disability while on duty shall be retired upon a service disability pension equal to $\frac{2}{3}$ of his average salary.

A member of any such department who shall have served honorably, desiring to retire because of permanent disability not sustained while on duty, shall upon approval of his application or the application of his employer be retired on a nonservice disability pension equal to $\frac{1}{2}$ of his average salary.

A member of any such department seeking to retire on a service disability or nonservice disability pension shall make application to the commission in writing; or the commission may, upon application of the employer, cite any such member of any such department before it to examine such member concerning his alleged disability and in either case the commission shall call to its assistance the aid of a surgeon or physician, and the member may likewise call to his aid a regularly licensed and practicing physician or surgeon; but no member shall be so retired unless the official physician of the local police or fire department, as the case may be, with which the person to be retired is connected, shall certify to the commission that such member has the disability by reason of which the retirement is sought. The chairman of the commission is au-

thorized to administer oaths to such physicians or surgeons or any other person called with respect to the matter before the commission. If the 2 physicians or surgeons so called fail to agree upon the physical or mental condition of the member, the commission may call a third and disinterested, licensed and practicing physician or surgeon, and the determination of a majority of such surgeons or physicians, after they shall have been duly sworn in the case, shall be reduced to writing and signed by them. The determination shall specify whether or not such member is permanently disabled from performing his usual duty and any other available duty in the department which his employer is willing to assign to him and whether or not his permanent disability occurred while on duty. The commission shall determine by resolution whether the member is fit for the performance of his usual duty or such other duty in his department which his employer is willing to assign to him and if it is determined that he is unfit for such duty or there is no available duty which he could perform then he shall be entitled to the benefits of this subtitle. In determining whether the member should be retired on a disability pension, the commission shall consider the physicians' and surgeons' determination in arriving at its decision.

The commission shall require any member who is less than 51 years of age and who shall have been retired on a service disability or nonservice disability pension to submit to a physical examination twice a year for a period of 3 years and once a year thereafter in order to determine whether or not the disability which existed at the time that he was retired still exists. Such examination shall be made in accordance with the same procedure in the instance of the examination made by virtue of a member's application for retirement for disability. If the physicians or surgeons or a majority of them report that the member is able to perform either his former usual duties, if such be available, or such other available duties in the department which his

employer shall assign to him, the pensioner shall report for such duty within 10 days after receipt of notice of the commission's determination thereon, and be reinstated to duty at the salary prevailing for the position at the time of his reinstatement and thereupon his pension payments shall cease. If the pensioner fails to submit to a medical examination or fails to return to duty within 10 days after receiving either request or within such further time as may be allowed by the commission for valid reason, his pension payments shall be discontinued during such default. Any pensioner who may be of the opinion that he has recovered from the disability which existed at the time of his retirement may request and be granted an examination by the commission at any time and if it be found by the physicians or surgeons or a majority of them that he be fit for his usual duty or any other available duty in the department which his employer is willing to assign to him and the commission concurs therein then he shall be reinstated thereto, if such be available, at the salary prevailing for the position at the time of his reinstatement and thereupon his pension payments shall cease.

C. 43:16-2.1.
Application
of act.

2. The increases under this act shall apply only to pensions payable on account of retirements or deaths occurring after January 11, 1956; provided, however, that such increases shall be applicable only to payments becoming due after the month in which this act becomes effective.

3. This act shall take effect immediately.

Approved September 8, 1959.

AN ACT to amend "An act concerning savings and loan associations and building and loan associations, and revising chapter 12 of Title 17 of the Revised Statutes," approved April 4, 1946 (P. L. 1946, c. 56).

BE IT ENACTED *by the Senate and General Assembly of the State of New Jersey*:

1. Section 78 of the act of which this act is amendatory is amended to read as follows:

C. 17:12A-78.
Loans,
limitation.

78. Loans. Investments in loans may be made as follows:

(1) Mortgage loans. In direct reduction, sinking fund, and straight mortgage loans. Each such loan shall be evidenced by an obligation and secured by a mortgage which shall be a first lien on real estate in this State, or outside of the State if located within 50 miles of the principal office of the association. A mortgage shall be deemed a first lien notwithstanding the existence of a prior mortgage or mortgages held by the association, or liens of taxes or assessments which are not delinquent, building restrictions or other restrictive covenants or conditions, leases or tenancies whereby rents or profits are reserved to the owner, joint driveways, sewer rights, rights in walls, rights-of-way or other easements, or encroachments which in the opinion of an officer of the association designated for that purpose by the board do not materially affect the security for the mortgage loan. Such loan shall be on real estate used or to be used wholly or partially for dwelling purposes. The granting of such loans shall be without regard to race, creed, color, national origin or ancestry. The granting of such loans shall be without discrimination of any nature including, but not limited to, interest rates, terms

and duration, because of race, creed, color, national origin or ancestry. If the proceeds of any such loan are used in whole or in part to improve the mortgaged real estate, they may be advanced in installments as the construction of a building or the making of other improvements thereon progresses and the value of the contemplated improvement may be included in arriving at the appraised value of the property.

Each direct reduction loan shall require periodical payments sufficient to pay the principal and interest of the loan in full in a period of 25 years or less. Any association may by agreement with the borrowing member reduce the amount of periodical payments, but the amount of the periodical payments thereafter required shall be sufficient to pay the balance of the loan and interest thereon within a period of 20 years or less from the time of making such agreement. Each sinking fund loan shall require periodical payments, at least monthly, on an account pledged as collateral security for such loan which shall be sufficient to pay such loan in a period of 20 years or less. Any association may by agreement with the borrowing member provide for the application of such account to the principal of the loan and for a reduction in the periodical payments required on an account thereafter; provided, however, that such periodical payments thereafter required shall be sufficient to retire the loan in a period of 20 years or less from the time of the making of such agreement. The amount of any direct reduction loan or sinking fund loan, less the withdrawal value of any account which may be pledged as collateral security therefor, shall not exceed 80% of the value of such real estate as found by appraisal at the time when the loan is granted.

A straight mortgage loan having a term of 1 year or less, the proceeds of which are used or are to be used in pursuance of a plan to improve the mortgaged real estate, may be made in an amount

not to exceed 80% of the value of such real estate as found by appraisal at the time the loan is granted. Otherwise, the term of any straight mortgage loan shall not exceed 3 years and the amount of any such straight mortgage loan shall not exceed 50% of the value of the property as found by appraisal at the time the loan is granted. An association may renew any straight mortgage loan held by it for a period not exceeding 3 years and for amounts not in excess of 50% of the value of the real estate as found by appraisal at the time of such renewal. The total amount invested in straight mortgage loans by any association shall not exceed 10% of its assets at the time any such investment is made.

(2) Improvement or repair loans. In additional loans to members for repairs, alterations, or improvements already made or to be made, of real estate owned by such members, upon which the lending association already holds a mortgage lien, or to pay the cost of insurance upon the life of such member which policy of insurance may also include health, accident or disability features, the proceeds of such policy to be applied in accordance with its terms and conditions; provided, however, the amount of such life insurance shall not exceed the amount loaned on the mortgage lien held by the association. If the mortgage already held by the lending association secures payment of a direct reduction loan, such additional loan shall not exceed the sum of \$2,500.00 or the amount which has been repaid in reduction of the principal of such mortgage loan, whichever is less. If the mortgage already held by the lending association secures payment of a sinking fund loan, such additional loan shall not exceed the sum of \$2,500.00 or the withdrawal value of the installment account which is pledged as collateral security for the payment of such sinking fund loan, whichever is less. Each such additional loan shall be evidenced by an obligation which shall state the terms on which such

loan is made, and the amount thereof shall be added to the amount due on the association's mortgage against such real estate, and payment thereof shall be secured thereby. All persons who acquire any rights in, or liens upon, the mortgaged real estate subsequent to the recording of any association's mortgage shall hold such rights and liens subject to the association's right to make such additional loans. For the purpose of such additional loans, no search or examination of the title to the mortgaged real estate shall be required. The power to make such additional loans is in addition to, and not to the exclusion of, the power to make any other lawful loan or any other lawful additional loan, or to make advances for any purpose expressly or impliedly reserved or provided for in any bond, mortgage or other obligation held by or hereafter acquired by any such association.

(3) Camp meeting leaseholds. In any obligation secured by first mortgage on any leasehold estate of real estate in this State of any camp meeting association, to the extent authorized by, and subject to, the limitations and restrictions contained in section 17:2-1 of the Revised Statutes.

(4) Purchase of loans. In the purchase of any loan which an association is authorized to make.

(5) Account loans. In loans secured by a pledge of a member's account. No such loan shall exceed the withdrawal value of the pledged account, less interest thereon for a period of 6 months.

(6) Guaranteed loans. In loans guaranteed or insured in whole or in part by the United States of America or the State of New Jersey, any instrumentality or agency of either of them, or for which a commitment to so guarantee or insure has been made. Such loans shall not be subject to the provisions of section 27, subdivision (13), section 78, subdivision (1) and subdivision (7), section 81 and section 82 of this act. Such loans may be made in accordance with the terms and conditions permitted by the agency guaranteeing or insuring such loans,

notwithstanding any other provisions of law limiting interest or other charges or prescribing terms and conditions. Such loans shall include only those which are made for the purchase or improvement of real estate, or for the construction, alteration, repair, or improvement of buildings erected thereon, used or to be used, wholly or partially for dwelling purposes, in which case they may or may not be secured by mortgages; or those which may be made for any other purpose provided they be secured by a mortgage on real estate used or to be used wholly or partially for dwelling purposes.

(7) Any association may make direct reduction loans, in addition to those otherwise permitted by this act, in excess of 80% of the value of the real estate loaned upon, subject to the following limitations:

(a) The amount of any such loan, less the withdrawal of any account in the association which may be pledged as collateral security therefor, shall not exceed 90% of the value of such real estate as found by appraisal at the time when the loan is granted, or \$18,000.00 whichever is less.

(b) The real estate securing the loan shall have been designed to be used for dwelling purposes for 1 family.

(c) No association shall make any such loan at any time that the aggregate amount of such loans exceeds an amount equal to 10% of its members' capital.

(d) No association shall make any such loan at any time that the aggregate amount of its general reserve, federal insurance reserve, bad debt reserve and undivided profits is less than an amount equal to 3% of its members' capital.

(e) Except as provided by this subdivision, the loan shall otherwise conform to all of the

terms, conditions and limitations set forth in this act as to direct reduction loans.

2. This act shall take effect immediately.
Approved October 22, 1959.

Every mortgage shall be certified to be such a first lien by an attorney-at-law of the State in which the real property is located, or certified or guaranteed to be such a first lien by a corporation authorized to guarantee titles to land in such State;

provided, that there shall be included in the appraised value of the mortgaged property, for the purpose of this paragraph (4), the value of improvements to be erected upon the mortgaged property wholly or partly with the proceeds of such loan; and

(5) the instrument evidencing the loan shall require payment to be made during each year on

account of the principal amount of the loan at a rate not less than 1% per annum of the original amount of the loan, if the original amount of the loan does not exceed 50% of the appraised value of the mortgaged property; or 2% per annum of the original amount of the loan, if the loan exceeds 50% but does not exceed $66\frac{2}{3}\%$ of such appraised value; or 4% per annum of the original amount of the loan, if the mortgaged property is of the nature referred to in paragraph (4) (a) of this section, and if the loan exceeds $66\frac{2}{3}\%$ of such appraised value; or 5% per annum of the original amount of the loan, if the mortgaged property is not of the nature referred to in paragraph (4) (a) of this section, and if the loan exceeds $66\frac{2}{3}\%$ of such appraised value; provided, that, in lieu of such principal payments, the instrument evidencing any mortgage loan may require equal monthly payments, each applicable to principal and interest, in an amount sufficient to pay current interest and to repay the amount of the loan in not more than 20 years from its date; and provided further, that, in lieu of such principal payments, the instrument evidencing a mortgage loan upon property of the nature described in paragraph (4) (a) of this section may require equal monthly payments, each applicable to principal and interest, in an amount sufficient to pay current interest on, and to repay an amount equal to the amount of the loan in not more than 25 years from its date, but no such loan shall be made for a period longer than 20 years from its date; and provided further, that when the proceeds of any such loan are to be used to pay, in whole or in part, the cost of constructing a building or buildings on the mortgaged property, and such proceeds are paid by the bank from time to time, final payment being made at or after completion, the instrument evidencing such loan need not require that any payment be made on account of the principal amount of the loan during the period from the date of such loan to a date not more than

18 months from the date of such loan; and such date marking the end of the period during which no payments are required to be made on account of the principal amount of the loan, shall be deemed to be the date of such loan for the purpose of reckoning the 20-year period limited for the payment of such loan by this paragraph (5), and by subparagraph (a) of paragraph (4) of this section.

2. This act shall take effect immediately.

C. 17:44A-4.
Organization.

4. Organization. After the effective date of this act no fraternal benefit society, other than 1 exempt from the provisions of this act in accordance with section 42, shall be formed except as follows:

(1) Seven or more citizens of the United States, a majority of whom are citizens of this State, who desire to form a fraternal benefit society, may make, sign and acknowledge before some officer, competent to take acknowledgment of deeds, articles of incorporation, in which shall be stated:

(a) the proposed corporate name of the society, which shall not so closely resemble the name of any society or insurance company as to be misleading or confusing;

(b) the purposes for which it is being formed and the mode in which its corporate powers are to be exercised. Such purposes shall not include more liberal powers than are granted by this act, provided that any lawful, social, intellectual, educational, charitable, benevolent, moral, fraternal or religious advantages may be set forth among the purposes of the society; and

(c) the names and residences of the incorporators and the names, residences and official titles of all the officers, trustees, directors, or other persons who are to have and exercise the general control of the management of the

affairs and funds of the society for the first year or until the ensuing election at which all such officers shall be elected by the supreme legislative or governing body, which election shall be held not later than 1 year from the date of the issuance of the certificate referred to in subdivision 5 of this section.

(2) Such articles of incorporation, duly certified copies of the constitution, laws and rules, copies of all proposed forms of certificates, applications therefor, and circulars to be issued by the society and a bond conditioned upon the return to applicants of the advanced payments if the organization is not completed within 1 year, shall be filed with the commissioner, who may require such further information as he deems necessary. The bond with sureties approved by the commissioner shall be in such amount, not less than \$5,000.00, as required by the commissioner. All documents filed are to be in the English language. If the purposes of the society conform to the requirements of this act and all provisions of the law have been complied with, the commissioner shall so certify, retain and file the articles of incorporation and furnish the incorporators a preliminary certificate authorizing the society to solicit members as hereinafter provided.

(3) No preliminary certificate granted under the provisions of this section shall be valid after 1 year from its date or after such further period, not exceeding 1 year, as may be authorized by the commissioner upon cause shown, unless the 500 applicants hereinafter required have been secured and the organization has been completed as herein provided. The articles of incorporation and all other proceedings thereunder shall become null and void in 1 year from the date of the preliminary certificate, or at the expiration of the extended period, unless the society shall have completed its organization and received a certificate of authority to do business as hereinafter provided.

(4) Upon receipt of a preliminary certificate from the commissioner, the society may solicit members for the purpose of completing its organization, shall collect from each applicant the amount of not less than 1 regular monthly premium in accordance with its table of rates as provided by its constitution and laws, and shall issue to each such applicant a receipt for the amount so collected. No society shall incur any liability other than for the return of such advance premium, nor issue any certificate, nor pay, allow, or offer or promise to pay or allow, any death or disability benefit to any person until:

(a) actual bona fide applications for death benefits have been secured aggregating at least \$500,000.00 on not less than 500 lives;

(b) all such applicants for death benefits shall have furnished evidence of insurability satisfactory to the society;

(c) certificates of examinations or acceptable declarations of insurability have been duly filed and approved by the chief medical examiner of the society;

(d) ten subordinate lodges or branches have been established into which the 500 applicants have been admitted;

(e) there has been submitted to the commissioner, under oath of the president or secretary, or corresponding officer of the society, a list of such applicants, giving their names, addresses, date each was admitted, name and number of the subordinate branch of which each applicant is a member, amount of benefits to be granted and premiums therefor; and

(f) shall have been shown to the commissioner by sworn statement of the treasurer, or corresponding officer of such society, that at least 500 applicants have each paid in cash at least 1 regular monthly premium as herein provided, which premiums in the aggregate shall amount to at least \$2,500.00, all of which

shall be credited to the fund or funds from which benefits are to be paid and no part of which may be used for expenses. Said advance premiums shall be held in trust during the period of organization and if the society has not qualified for a certificate of authority within 1 year, as herein provided, such premiums shall be returned to said applicants.

(5) The commissioner may make such examination and require such further information as he deems advisable. Upon presentation of satisfactory evidence that the society has complied with all the provisions of law, he shall issue to the society a certificate to that effect and that the society is authorized to transact business pursuant to the provisions of this act. The certificate shall be prima facie evidence of the existence of the society at the date of such certificate. The commissioner shall cause a record of such certificate to be made. A certified copy of such record may be given in evidence with like effect as the original certificate.

(6) Every society so incorporated shall adopt a constitution or by-laws providing for a representative form of government and for regular meetings by subordinate lodges or branches at least once in each month. The constitution or by-laws may also provide for the management of the affairs of the society and the fixing and readjusting of the rates of its members from time to time. It shall have the power to change, alter, add to or amend such constitution or by-laws and shall have such other powers as are necessary and incidental to carrying into effect the objects and purposes of the society.

5. Corporate Powers Retained. Any incorporated society authorized to transact business in this State at the time this act becomes effective may thereafter exercise all the rights, powers and privileges prescribed in this act and in its charter or articles of incorporation as far as consistent with this act. A domestic society shall not be required to reincorporate.

C. 17:44A-5.
Corporate
powers
retained.

C. 17:44A-6.
Existing
voluntary
associations
may
incorporate.

6. Existing Voluntary Associations—May Incorporate. After 1 year from the effective date of this act, no unincorporated or voluntary association shall be permitted to transact business in this State as a fraternal benefit society.

Any domestic unincorporated or voluntary association now authorized to transact business in this State may incorporate and shall receive from the commissioner the certificate provided for in section 4(5) of this act when:

(a) it shall have completed its conversion to an incorporated society not later than 1 year from the effective date of this act;

(b) it has filed its articles of incorporation and has satisfied the other requirements described in section 4; and

(c) the commissioner shall have made such examination and procured whatever additional information he shall deem advisable.

Every voluntary association so incorporated shall incur the obligations and enjoy the benefits thereof the same as though originally incorporated, and such corporation shall be deemed a continuation of the original voluntary association. The officers thereof shall serve through their respective terms as provided in its original articles of association, but their successors shall be elected and serve as provided in its articles of incorporation. Incorporation of a voluntary association shall not affect existing suits, claims or contracts.

C. 17:44A-7.
Location
of office;
place of
meeting.

7. Location of Office—Place of Meeting. The principal office of any domestic society shall be located in this State. The meetings of its supreme legislative or governing body may be held in any State, district, province or territory wherein such society has at least 5 subordinate branches and all business transacted at such meetings shall be as valid in all respects as if such meetings were held in this State.

C. 17:44A-8.
Consolidations
and mergers.

8. Consolidations and Mergers. A domestic society may consolidate or merge with any other

society by complying with the provisions of this section.

It shall file with the commissioner:

(a) a certified copy of the written contract containing in full the terms and conditions of the consolidation or merger;

(b) a sworn statement by the president and secretary or corresponding officers of each society showing the financial condition thereof on a date fixed by the commissioner but not earlier than December 31, next preceding the date of the contract;

(c) a certificate of such officers, duly verified by their respective oaths, that the consolidation or merger has been approved by a $\frac{2}{3}$ vote of the supreme legislative or governing body of each society; and

(d) evidence that at least 60 days prior to the action of the supreme legislative or governing body of each society, the text of the contract has been furnished to all members of each society either by mail or by publication in full in the official organ of each society.

If the commissioner finds that the contract is in conformity with the provisions of this section, that the financial statements are correct and that the consolidation or merger is just and equitable to the members of each society, he shall approve the contract and issue his certificate to such effect. Upon such approval, the contract shall be in full force and effect unless any society which is a party to the contract is incorporated under the laws of any other State or territory. In such event the consolidation or merger shall not become effective unless and until it has been approved as provided by the laws of such State or territory and a certificate of such approval filed with the commissioner of this State or, if the laws of such State or territory contain no such provision, then the consolidation or merger shall not become effective unless and until it has been approved by the Commissioner of Insurance of such State or territory and a certificate of such approval filed with the commissioner of this State.

Upon the consolidation or merger becoming effective as herein provided, all the rights, franchises and interests of the consolidated or merged societies in and to every species of property, real, personal or mixed, and things in action thereunto belonging shall be vested in the society resulting from or remaining after the consolidation or merger without any other instrument, except that conveyances of real property may be evidenced by proper deeds, and the title to any real estate or interest therein, vested under the laws of this State in any of the societies consolidated or merged, shall not revert or be in any way impaired by reason of the consolidation or merger, but shall vest absolutely in the society resulting from or remaining after such consolidation or merger.

The affidavit of any officer of the society or of anyone authorized by it to mail any notice or document, stating that such notice or document has been duly addressed and mailed, shall be prima facie evidence that such notice or document has been furnished the addressees.

C. 17:44A-9.
Conversion
into mutual
life insurance
company.

9. Conversion of Fraternal Benefit Society Into Mutual Life Insurance Company. Any domestic fraternal benefit society may be converted and licensed as a mutual life insurance company, which (1) has transacted an insurance business in this State for not less than 10 years; (2) possesses a subsisting certificate of authority to transact business as a fraternal benefit society; (3) possesses unencumbered assets over and above all liabilities (including policy reserves at least equal to those which would have been required if the society has been a life insurance company) of at least \$50,000.00 for each kind of business it may transact, as specified in section 17:17-3 of the Revised Statutes; (4) had, in the next fiscal year preceding the submission of the application for conversion, income from dues and contributions of its members as payments on certificates theretofore issued by the society of not less than \$100,000.00 provided, that:

(a) A plan of conversion to a mutual life insurance company shall be adopted by a majority vote of the board of directors of the society.

(b) The board of directors shall submit such plan to the supreme legislative or governing body of the society at any regular or special meeting thereof, by giving a full, true and complete copy of such plan with the notice of such meeting. Such notice shall be given as provided in the laws of the society for the convocation of a regular or special meeting of such body, as the case may be. The affirmative vote of $\frac{2}{3}$ of all members of such body shall be necessary for the approval of such agreement.

(c) No such conversion shall take effect unless and until approved by the commissioner who may give his approval if he finds that the proposed change is in conformity with the requirements of law and not prejudicial to the certificate holders of the society.

(d) The society shall comply with all requirements for the issuance of a certificate of authority to a newly organized mutual life insurance company, except those requirements contained in Revised Statutes, section 17:17-1 specifying the number of incorporators and except that wherever reference is made to the persons proposing to incorporate the new mutual life insurance company such reference shall be construed to mean the entire board of directors of the fraternal benefit society and except the requirements of Revised Statutes, section 17:17-7.

From and after the date of issuance of the certificate of authority, the society shall be a mutual life insurance company, vested with all the powers and privileges of a mutual life insurance company, and subject to all provisions of law applicable to such companies, in the same manner and with the same effect as if the converted society had originally been incorporated as a mutual life insurance company on the date of issuance of the certificate of authority, and the members of such society shall

become and be members of the mutual life insurance company.

The conversion of a society into a mutual life insurance company shall not affect the right of any creditor or member of any such society, but all rights of all persons against such society before its conversion shall continue unaffected and shall be enforced against the mutual life insurance company in the same manner they could have been enforced against the society had its conversion not taken place; except that all rights of assessment or reduction in benefits in lieu of assessment, prescribed in the certificate of incorporation or by-laws of the fraternal benefit society, or provided in any certificate, policy or contract of such society, shall be canceled. "Assessment," as used herein, means the right to require the payment of a sum in addition to the weekly or other periodical dues, contributions, premiums and fees required under the terms of any certificate, policy or contract.

C. 17:44A-10.
Qualifications
for membership.

10. Qualifications for Membership. A society may admit to benefit membership any person not less than 15 years of age, nearest birthday, who has furnished evidence of insurability acceptable to the society. Any such member who shall apply for additional benefits more than 6 months after becoming a benefit member shall furnish additional evidence of insurability acceptable to the society.

Any person admitted prior to attaining the full age of 21 years shall be bound by the terms of the application and certificate and by all the laws and rules of the society and shall be entitled to all the rights and privileges of membership therein to the same extent as though the age of majority had been attained at the time of application. A society may also admit general or social members who shall have no voice or vote in the management of its insurance affairs.

C. 17:44A-11.
Articles of
incorporation;
constitution
and laws;
amendments.

11. Articles of Incorporation, Constitution and Laws—Amendments. A domestic society may amend its articles of incorporation, constitution or laws in accordance with the provisions thereof by

action of its supreme legislative or governing body at any regular or special meeting thereof or, if its articles of incorporation, constitution or laws so provide, by referendum. Such referendum may be held in accordance with the provisions of its articles of incorporation, constitution or laws by the vote of the voting members of the society, by the vote of delegates or representatives of voting members or by the vote of local lodges or branches. No amendment submitted for adoption by referendum shall be adopted unless, within 6 months from the date of submission thereof, a majority of all of the voting members of the society shall have signified their consent to such amendment by 1 of the methods herein specified.

No amendment to the articles of incorporation, constitution or laws of any domestic society shall take effect unless approved by the commissioner who shall approve such amendment if he finds that it has been duly adopted and is not inconsistent with any requirement of the laws of this State or with the character, objects and purposes of the society. Unless the commissioner shall disapprove any such amendment within 60 days after the filing of same, such amendment shall be considered approved. The approval or disapproval of the commissioner shall be in writing and mailed to the secretary or corresponding officer of the society at its principal office. In case he disapproves such amendment, the reasons therefor shall be stated in such written notice.

Within 90 days from the approval thereof by the commissioner, all such amendments, or a synopsis thereof, shall be furnished to all members of the society either by mail or by publication in full in the official organ of the society. The affidavit of any officer of the society or of anyone authorized by it to mail any amendment or synopsis thereof, stating facts which show that same have been duly addressed and mailed, shall be prima facie evidence that such amendments or synopsis thereof, have been furnished the addressee.

Every foreign or alien society authorized to do business in this State shall file with the commissioner a duly certified copy of all amendments of, or additions to, its articles of incorporation, constitution or laws within 90 days after the enactment of same.

Printed copies of the constitution or laws as amended, certified by the secretary or corresponding officer of the society shall be prima facie evidence of the legal adoption thereof.

C. 17:44A-12.
Institutions.

12. Institutions. It shall be lawful for a society to create, maintain and operate charitable, benevolent or educational institutions for the benefit of its members and their families and dependents and for the benefit of children insured by the society. For such purpose it may own, hold or lease personal property or real property located within or without this State, with necessary buildings thereon. Such property shall be reported in every annual statement but shall not be allowed as an admitted asset of such society.

Maintenance, treatment and proper attendance in any such institution may be furnished free or a reasonable charge may be made therefor, but no such institution shall be operated for profit. The society shall maintain a separate accounting of any income and disbursements under this section and report them in its annual statement. No society shall own or operate funeral homes or undertaking establishments.

C. 17:44A-13.
Payment of
benefits
other than
insurance
benefits.

13. Payment of Benefits Other Than Insurance Benefits. A society may pay benefits, other than insurance benefits, to its members from any special account or fund maintained for such purposes; provided that if such benefits are of such a nature that they could constitute benefits within the classes of insurance set forth in section 15 of this article, a society making such payments may not:

- (a) make any separate charge therefor;
- (b) issue any certificate, policy or other document promising such payments;

(c) provide in its constitution, laws or any other document that such payments may be received by the member as a matter of right; or

(d) advertise such payments as insurance or as payments to which the member has any right.

The society shall maintain a separate accounting of all disbursements made under this section and report them in its annual statement.

14. No Personal Liability. The officers and members of the supreme, grand or any subordinate body of a society shall not be personally liable for payment of any benefits provided by a society. C. 17:44A-14. No personal liability.

15. Benefits. (1) A society authorized to do business in this State may provide, except in the form of group insurance, for the payment of: C. 17:44A-15. Benefits.

- (a) death benefits;
- (b) endowment benefits;
- (c) annuity benefits;
- (d) temporary or permanent disability benefits as a result of disease or accident;
- (e) hospital, medical or nursing benefits due to sickness or bodily infirmity or accident; and
- (f) monument or tombstone benefits to the memory of deceased members not exceeding in any case the sum of \$300.00.

(2) Any such benefits may be provided for a member or upon application of a member for the member's family, including the member, the member's spouse and minor children, in 1 or more certificates.

16. Benefits on Lives of Children. A society may provide for benefits on the lives of children under the minimum age for adult membership but not greater than 21 years of age at time of application therefor, upon the application of some adult person, as its laws or rules may provide, which benefits shall be in accordance with the provisions of section 14 (1) of this act. A society may, at its option, organize and operate branches for such children. Membership and initiation in local lodges shall not be required of such children, nor shall they have a voice in the management of the society. C. 17:44A-16. Benefits on lives of children.

Children insured under certificates issued pursuant to this section shall be transferred to and become members of the adult branch of the society upon attaining the minimum age for adult membership under the laws of the society.

A society shall have power to provide for the designation and changing of designation of beneficiaries in the certificates providing for such benefits and to provide in all other respects for the regulations, government and control of such certificates and all rights, obligations and liabilities incident thereto and connected therewith.

C. 17:44A-17.
Nonforfeiture
benefits.

17. Nonforfeiture Benefits, Cash Surrender Values, Certificate Loans and Other Options. A society may grant paid-up nonforfeiture benefits, cash surrender values, certificate loans and such other options as its laws may permit. As to certificates issued 1 year from the effective date of this act, and thereafter, a society shall grant at least 1 paid-up nonforfeiture benefit.

In the case of certificates other than those for which reserves are computed on the Commissioners 1941 Standard Ordinary Mortality Table or the 1941 Standard Industrial Table, the value of every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan or other option granted shall not be less than the excess, if any, of (a) over (b) as follows:

(a) the reserve under the certificate determined on the basis specified in the certificate; and

(b) the sum of any indebtedness to the society on the certificate, including interest due and accrued, and a surrender charge equal to $2\frac{1}{2}\%$ of the face amount of the certificate, which, in the case of insurance on the lives of children, shall be the ultimate face amount of the certificate, if death benefits provided therein are graded.

However, in the case of certificates used on a substandard basis or in the case of certificates, the reserves for which are computed upon the American Men Ultimate Table of Mortality, the term of any extended insurance benefit granted including

accompanying pure endowment, if any, may be computed upon the rates of mortality not greater than 130% of those shown by the mortality table specified in the certificate for the computation of the reserve.

In the case of certificates for which reserves are computed on the Commissioners 1941 Standard Ordinary Mortality Table or the 1941 Standard Industrial Table, every paid-up nonforfeiture benefit available under the certificate in the event of default in a premium payment due on any policy anniversary shall be such that its present value as of such anniversary shall be an amount not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the certificate, including any existing paid-up additions, if there had been no default, over the sum of (1) the then present value of the adjusted premiums as hereinafter defined, corresponding to premiums which would have fallen due on and after such anniversary, and (2) the amount of any indebtedness to the society on the certificate. Any cash surrender value available within 30 days after any policy anniversary under any certificate paid up by completion of all premium payments or any certificate continued under any paid-up nonforfeiture benefit shall be an amount not less than the present value, on such anniversary, of the future guaranteed benefits provided for by the certificate, including any existing paid-up additions, decreased by any indebtedness to the society on the certificate.

The adjusted premiums for any certificate shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the certificate for each policy year that the present value, at the date of issue of the certificate, of all such adjusted premiums shall be equal to the sum of (1) the then present value of the future guaranteed benefits provided for by the certificate; (2) 2% of the amount of insurance, if the insurance be uniform in amount, or of the equiva-

lent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the certificate; (3) 40% of the adjusted premium for the first policy year; (4) 25% of either the adjusted premium for the first policy year or the adjusted premium for a whole life certificate of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less; provided, however, that in applying the percentage specified in (3) and (4) above, no adjusted premium shall be deemed to exceed 4% of the amount of insurance or level amount equivalent thereto. The date of issue of a certificate for the purpose of this paragraph shall be the date as of which the rated age of the insured is determined. In the case of a certificate providing an amount of insurance varying with duration of the policy, the equivalent level amount thereof for the purpose of this paragraph shall be deemed to be the level amount of insurance provided by an otherwise similar certificate, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the inception of the insurance as the benefits under the certificate.

All adjusted premiums and present values referred to above shall be calculated on the basis of the Commissioners 1941 Standard Ordinary Table or the 1941 Standard Industrial Table and the rate of interest, not exceeding $3\frac{1}{2}\%$ per annum, specified in the certificate for calculating cash surrender values and paid-up nonforfeiture benefits; provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than 130% of the rates of mortality according to such applicable table. Any cash surrender value and any paid-up nonforfeiture benefit, available under the certificate in the event of default in a

premium payment due at any time other than on the policy anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums beyond the last preceding policy anniversary. All values referred to above may be calculated upon the assumption that any death benefit is payable at the end of the policy year of death. The net value of any paid-up additions, other than paid-up term additions, shall not be less than the dividends used to provide such additions. Additional benefits payable (1) in the event of death or dismemberment by accident or accidental means, (2) in the event of total and permanent disability, (3) as reversionary annuity or deferred reversionary annuity benefits, (4) as reducing term insurance benefits provided by a rider or supplemental policy provision, and (5) as other policy benefits additional to life insurance and endowment benefits, and premiums for all such additional benefits, shall be disregarded in ascertaining cash surrender and nonforfeiture benefits as described above and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits.

18. Beneficiaries. The member shall have the right at all times to change the beneficiary or beneficiaries in accordance with the constitution, laws or rules of the society. Every society by its constitution, laws or rules may limit the scope of beneficiaries and shall provide that no beneficiary shall have or obtain any vested interest in the proceeds of any certificate until the certificate has become due and payable in conformity with the provisions of the insurance contract.

C. 17:44A-18.
Beneficiaries.

A society may make provision for the payment of funeral benefits to the extent of such portion of any payment under a certificate as might reasonably appear to be due to any person equitably entitled thereto by reason of having incurred expense occasioned by the burial of the member, provided the portion so paid shall not exceed the sum of \$500.00.

If, at the death of any member, there is no lawful beneficiary to whom the insurance benefits shall be payable, the amount of such benefits, except to the extent that funeral benefits may be paid as hereinbefore provided, shall be payable to the personal representative of the deceased member.

C. 17:44A-19.
Benefits not
attachable.

19. Benefits Not Attachable. No money or other benefit, charity, relief or aid to be paid, provided or rendered by any society, shall be liable to attachment, garnishment or other process, or to be seized, taken, appropriated or applied by any legal or equitable process or operation of law to pay any debt or liability of a member or beneficiary, or any other person who may have a right thereunder, either before or after payment by the society.

C. 17:44A-20.
Contract
with members,
contents.

20. The Contract. Every society authorized to do business in this State shall issue to each benefit member a certificate specifying the amount of benefits provided thereby. The certificate, together with any riders or endorsements attached thereto, the charter or articles of incorporation, the constitution and laws of the society, the application for membership, and declaration of insurability, if any, signed by the applicant, and all amendments to each thereof, shall constitute the agreement, as of the date of issuance, between the society and the member, and the certificate shall so state. A copy of the application for membership and of the declaration of insurability, if any, shall be endorsed upon or attached to the certificate.

All statements purporting to be made by the member shall be representations and not warranties. Any waiver of this provision shall be void.

Any changes, additions or amendments to the charter or articles of incorporation, constitution or laws duly made or enacted subsequent to the issuance of the certificate, shall bind the member and the beneficiaries, and shall govern and control the agreement in all respects the same as though such changes, additions or amendments had been made prior to and were in force at the time of the application for membership, except that no change,

addition or amendment shall destroy or diminish benefits which the society contracted to give the member as of the date of issuance.

Copies of any of the documents mentioned in this section, certified by the secretary or corresponding officer of the society, shall be received in evidence of the terms and conditions thereof.

A society shall provide in its constitution or laws and in its certificates that if its reserves as to all or any class of certificates become impaired its board of directors or corresponding body may require that there shall be paid by the member to the society the amount of the member's equitable proportion of such deficiency as ascertained by its board, and that if the payment be not made it shall stand as an indebtedness against the certificate and draw interest not to exceed 5% per annum compounded annually.

21. Provisions, Standard and Prohibited. One year from the effective date of this act, and thereafter, no life benefit certificate shall be delivered or issued for delivery in this State unless a copy of the form shall have been filed with the commissioner. If the commissioner shall at any time notify any society of his disapproval of the form, as contrary to law, specifying particulars, the society shall not thereafter issue any certificate in the form so disapproved. The disapproval of the commissioner shall be subject to review by the Superior Court in a proceeding in lieu of prerogative writ.

C. 17:44A-21.
Provisions,
standard and
prohibited.

(1) The certificate shall contain in substance the following standard provisions or, in lieu thereof, provisions which are more favorable to the member:

(a) title on the face and filing page of the certificate clearly and correctly describing its form;

(b) a provision stating the amount of rates, premiums or other required contributions, by

whatever name known, which are payable by the insured under the certificate;

(c) a provision that the member is entitled to a grace period of not less than a full month (or 30 days at the option of the society) in which the payment of any premium after the first, may be made. During such grace period the certificate shall continue in full force, but in case the certificate becomes a claim during the grace period before the overdue payment is made, the amount of such overdue payment or payments may be deducted in any settlement under the certificate;

(d) a provision that the member shall be entitled to have the certificate reinstated at any time within 3 years from the due date of the premium in default, unless the certificate has been completely terminated through the application of a nonforfeiture benefit, cash surrender value or certificate loan, upon the production of evidence of insurability satisfactory to the society and the payment of all overdue premiums and any other indebtedness to the society upon the certificate, together with interest on such premiums and such indebtedness, if any, at a rate not exceeding 6% per annum compounded annually;

(e) except in the case of pure endowment, annuity or reversionary annuity contracts, reducing term insurance contracts, or contracts of term insurance of uniform amount of 15 years or less expiring before age 66, a provision that, in the event of default in payment of any premium after 3 full years' premiums have been paid or after premiums for a lesser period have been paid if the contract so provides, the society will grant, upon proper request not later than 60 days after the due date of the premium in default, a paid-up nonforfeiture benefit on the plan stipulated in the certificate, effective as of such due date, of such value as specified in this act. The certificate

may provide, if the society's laws so specify or if the member shall so elect prior to the expiration of the grace period of any overdue premium, that default shall not occur so long as premiums can be paid under the provisions of an arrangement for automatic premium loan as may be set forth in the certificate;

(f) a provision that 1 paid-up nonforfeiture benefit as specified in the certificate shall become effective automatically unless the member elects another available paid-up nonforfeiture benefit, not later than 60 days after the due dates of the premium in default;

(g) a statement of the mortality table and rate of interest used in determining all paid-up nonforfeiture benefits and cash surrender options available under the certificate, and a brief general statement of the method used in calculating such benefits;

(h) a table showing in figures the value of every paid-up nonforfeiture benefit and cash surrender option available under the certificate for each certificate anniversary either during the first 20 certificate years or during the term of the certificate whichever is shorter;

(i) a provision that the certificate shall be incontestable after it has been in force during the lifetime of the member for a period of 2 years from its date of issue except for nonpayment of premium, violation of the provisions of the certificate relating to military, aviation, or naval service and violation of the provisions relating to suspension or expulsion as substantially set forth in the certificate. At the option of the society, supplemental provisions relating to benefits in the event of temporary or permanent disability or hospitalization and provisions which grant additional insurance specifically against death by accident or accidental means, may also be excepted. The certificate shall be incontestable on the ground of suicide after it has been in force

during the lifetime of the member for a period of 2 years from date of issue. The certificate may provide, as to statements made to procure reinstatement, that the society shall have the right to contest a reinstated certificate within a period of 2 years from date of reinstatement with the same exceptions as herein provided;

(j) a provision that in case the age or sex of the member or of any other person is considered in determining the premium and it is found at any time before final settlement under the certificate that the age or sex has been misstated, and the discrepancy and premium involved have not been adjusted, the amount payable shall be such as the premium would have purchased at the correct age or sex; but if the correct age was not an insurable age under the society's charter or laws, only the premiums paid to the society, less any payments previously made to the member, shall be returned or, at the option of the society, the amount payable under the certificate shall be such as the premium would have purchased at the correct age according to the society's promulgated rates and any extension thereof based on actuarial principles;

(k) a provision or provisions which recite fully, or which set forth the substance of, all sections of the charter, constitution, laws, rules or regulations of the society, in force at the time of issuance of the certificate, the violation of which will result in the termination of, or in the reduction of, the benefit or benefits payable under the certificate;

(l) if the constitution or laws of the society provide for expulsion or suspension of a member, any member so expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentations in such member's application for membership shall have the privilege of main-

taining his insurance in force by continuing payment of the required premium;

(m) in the case of a certificate issued by a foreign or alien society, a provision that the rights or obligations of the member or of any person rightfully claiming under the certificate shall be governed by the laws of this State.

Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance or because the certificate is an annuity certificate may, to the extent inapplicable, be omitted from the certificate.

(2) After 1 year from the effective date of this act, no life benefit certificate shall be delivered or issued for delivery in this State containing in substance any of the following provisions:

(a) any provision limiting the time within which any action at law or in equity may be commenced to less than 2 years after the cause of action shall accrue;

(b) any provision by which the certificate shall purport to be issued or to take effect more than 6 months before the original application for the certificate was made, except in case of transfer from 1 form of certificate to another in connection with which the member is to receive credit for any reserve accumulation under the form of certificate from which the transfer is made; or

(c) any provision for forfeiture of the certificate for failure to repay any loan thereon or to pay interest on such loan while the total indebtedness, including interest, is less than the loan value of the certificate.

(3) The word "premiums" as used in this act means premiums, rates, or other required contributions by whatever name known.

22. Accident and Health Insurance—Filing and Approval. One year after the effective date of this act, and thereafter, no domestic, foreign or

alien society authorized to do business in this State shall issue or deliver in this State any certificate or other evidence of any contract of insurance or endorsement thereto against loss or damage from the sickness, or the bodily injury or death of the insured by accident, except in conformity with chapter 237, of the laws of 1951, as amended and supplemented.

**C. 17:44A-23.
Waiver.**

23. Waiver. The constitution and laws of the society may provide that no subordinate body, nor any of its subordinate officers or members shall have the power or authority to waive any of the provisions of the laws and constitution of the society. Such provisions shall be binding on the society and every member and beneficiary of a member.

**C. 17:44A-24.
Reinsurance.**

24. Reinsurance. A domestic society may, by a reinsurance agreement, cede any individual risk or risks in whole or in part to an insurer (other than another fraternal benefit society) having the power to make such reinsurance and authorized to do business in this State, or if not so authorized, one which is approved by the commissioner; but no such society may reinsure substantially all of its insurance in force without the written permission of the commissioner. It may take credit for the reserves on such ceded risks to the extent reinsured, but no credit shall be allowed as an admitted asset or as a deduction from liability, to a ceding society for reinsurance made, ceded, renewed or otherwise becoming effective after the effective date of this act, unless the reinsurance is payable by the assuming insurer on the basis of the liability of the ceding society under the contract or contracts reinsured without diminution because of the insolvency of the ceding society.

**C. 17:44A-25.
Annual
license.**

25. Annual License. Incorporated societies which are now authorized to transact business in this State may continue such business until June 1 next succeeding 1 year after the effective date of this act. The authority of such societies and all so-

cieties hereafter licensed, may thereafter be renewed annually, but in all cases to terminate on the succeeding June 1. However, a license so issued shall continue in full force and effect until the new license be issued or specifically refused. A duly certified copy or duplicate of such license shall be prima facie evidence that the licensee is a fraternal benefit society within the meaning of this act.

26. Foreign or Alien Society—Admission. No foreign or alien society shall transact business in this State without a license issued by the commissioner. Any such society may be licensed to transact business in this State upon filing with the commissioner:

(a) a duly certified copy of its charter or articles of incorporation;

(b) a copy of its constitution and laws, certified by its secretary or corresponding officer;

(c) a power of attorney to the commissioner as prescribed in section 30;

(d) a statement of its business under oath of its president and secretary or corresponding officers in a form prescribed by the commissioner, duly verified by an examination made by the supervising insurance official of its home State or other State, territory, province or country, satisfactory to the commissioner of this State;

(e) a certificate from the proper official of its home State, territory, province or country that the society is legally incorporated and licensed to transact business therein;

(f) copies of its certificate forms;

(g) such other information as he may deem necessary; and upon which a showing that its assets are invested in accordance with the provisions of this act; and

(h) payment of a filing fee of \$10.00.

Any foreign or alien society desiring admission to this State shall have the qualifications required of domestic societies organized under this act.

27. Injunction — Liquidation — Receivership of Domestic Society. When the commissioner upon investigation finds that a domestic society:

Injunction;
liquidation;
receivership.

- (a) has exceeded its powers;
- (b) has failed to comply with any provision of this act;
- (c) is not fulfilling its contracts in good faith;
- (d) has a membership of less than 400 after an existence of 1 year or more; or
- (e) is conducting business fraudulently or in a manner hazardous to its members, creditors, the public or the business; he shall notify the society of his findings, state in writing the reasons for his dissatisfaction, and require the society to show cause on a date named why it should not be enjoined from carrying on any business until the violation complained of shall have been corrected, or why appropriate civil action should not be commenced against the society.

If on such date the society does not present good and sufficient reasons why it should not be so enjoined or why such action should not be commenced, the commissioner may present the facts relating thereto to the Attorney-General who shall, if he deems the circumstances warrant, commence an action to enjoin the society from transacting business or other appropriate civil action.

The court shall thereupon notify the officers of the society of a hearing. If after a full hearing it appears that the society should be so enjoined or liquidated or a receiver appointed, the court shall enter the necessary order.

No society so enjoined shall have the authority to do business until:

- (a) the commissioner finds that the violations complained of have been corrected;
- (b) the costs of such action shall have been paid by the society if the court finds that the society was in default as charged;
- (c) the court has dissolved its injunction; and
- (d) the commissioner has reinstated the certificate of authority.

If the court orders the society liquidated, it shall be enjoined from carrying on any further business, whereupon the receiver of the society shall proceed

at once to take possession of the books, papers, money and other assets of the society and, under the direction of the court, proceed forthwith to close the affairs of the society and to distribute its funds to those entitled thereto.

No action under this section shall be recognized in any court of this State unless brought by the Attorney-General upon request of the commissioner. Whenever a receiver is to be appointed for a domestic society, the court shall appoint the commissioner as such receiver.

The provisions of this section relating to hearings by the commissioner, action by the Attorney-General at the request of the commissioner, hearing by the court, injunction and receivership shall be applicable to a society which shall voluntarily determine to discontinue business.

28. Suspension, Revocation or Refusal of License of Foreign or Alien Society. When the commissioner upon investigation finds that a foreign or alien society transacting or applying to transact business in this State:

society.

- (a) has exceeded its powers;
- (b) has failed to comply with any of the provisions of this act;
- (c) is not fulfilling its contracts in good faith; or
- (d) is conducting its business fraudulently or in a manner hazardous to its members or creditors or the public;

he shall notify the society of his findings, state in writing the reasons for his dissatisfaction and require the society to show cause on a date named why its license should not be suspended, revoked or refused. If on such date the society does not present good and sufficient reason why its authority to do business in this State should not be suspended, revoked or refused, he may suspend or refuse the license of the society to do business in this State until satisfactory evidence is furnished to him that such suspension or refusal should be

withdrawn or he may revoke the authority of the society to do business in this State.

Nothing contained in this section shall be taken or construed as preventing any such society from continuing in good faith all contracts made in this State during the time such society was legally authorized to transact business herein.

C. 17:44A-29.
Licensing
of agents.

29. Licensing of Agents. Agents of societies shall be licensed in accordance with the provisions of this section.

(1) Insurance Agent Defined. The term "insurance agent" as used in this section means any authorized or acknowledged agent of a society who acts as such in the solicitation, negotiation or procurement or making of a life insurance, accident and health insurance or annuity contract, except that the term "insurance agent" shall not include:

(a) any regular salaried officer or employee of a licensed society who devotes substantially all of his services to activities other than the solicitation of fraternal insurance contracts from the public, and who receives for the solicitation of such contracts no commission or other compensation directly dependent upon the amount of business obtained; or

(b) any agent or representative of a society who devotes, or intends to devote, less than 50% of his time to the solicitation and procurement of insurance contracts for such society. Any person who in the preceding calendar year has solicited and procured life insurance contracts on behalf of any society in an amount of insurance in excess of \$50,000.00, or, in the case of any other kind or kinds of insurance which the society might write, on the persons of more than 25 individuals and who has received or will receive a commission or other compensation, therefor, shall be presumed to be devoting, or intending to devote, 50% of his time to the solicitation or procurement of insurance contracts for such society.

(2) License Required. No person shall act in this State as an insurance agent, as defined in subsection (1) hereof, for a society without having authority so to do by virtue of a license issued and in force pursuant to the provisions of this section.

(3) Payment of Commissions Forbidden. No society doing business in this State shall pay any commission or other compensation to any person for any services in obtaining in this State any new contract of life, accident or health insurance, or any new annuity contract, except to a licensed insurance agent of such society and except an agent exempted under subsection (1) (b) of this section.

(4) Prerequisites, Issuance and Renewal of Insurance Agents' Licenses.

(a) The commissioner may issue a license to any person who has paid an annual license fee of \$2.00 and who has complied with the requirements of this section, authorizing licensee to act as an insurance agent on behalf of any society named in such license which is authorized to do business in this State.

(b) Before any insurance agent's license shall be issued there shall be on file in the office of the commissioner the following documents:

(1) a written application by the prospective licensee in such form or forms and supplements thereto, and containing such information, as the commissioner may prescribe; and

(2) a certificate by the society which is to be named in such license, stating that such society has satisfied itself that the named applicant is trustworthy and competent to act as such insurance agent and that the society will appoint such applicant to act as its agent if the license applied for is issued by the commissioner. Such certificates shall be

executed and acknowledged by an officer or managing agent of such society.

(c) No written or other examination shall be required of any individual seeking to be named as a licensee to represent a fraternal benefit society as its agent.

(d) The commissioner may refuse to issue or renew any insurance agent's license if in his judgment the proposed licensee is not trustworthy and competent to act as such agent, or has given cause for revocation or suspension of such license, or has failed to comply with any prerequisite for the issuance or renewal, as the case may be, of such license.

(e) Every license issued pursuant to this section, and every renewal thereof, shall expire on December 31 of the even-numbered calendar year following the calendar year in which such license or renewal was issued.

(f) If the application for renewal license shall have been filed with the commissioner on or before December 31 of the year in which the existing license is to expire, such applicant named in such existing license may continue to act as insurance agent under such existing license, unless same shall be revoked or suspended, until the issuance by the commissioner of the renewal license or until the expiration of 5 days after he shall have refused to renew such license and shall have served written notice of such refusal on the applicant. If the applicant shall, within 30 days after such notice is given, notify the commissioner in writing of his request for a hearing on such refusal, the commissioner shall, within a reasonable time after receipt of such notice, grant such hearing, and he may, in his discretion, reinstate such license.

(g) Any such renewal license of an insurance agent may be issued upon the application of a society named in the existing license. Such

application shall be in the form or forms prescribed by the commissioner and shall contain such information as he may require. Such application shall contain a certificate executed by the president, or by a vice-president, a secretary, an assistant secretary, or corresponding officer by whatever name known, or by an employee expressly designated and authorized to execute such certificate of a domestic or foreign society or by the United States manager of an alien society, stating that the addresses therein given of the agents of such society for whom renewal licenses are requested therein have been verified in each instance immediately preceding the preparation of the application. Notwithstanding the filing of such application, the commissioner may, after reasonable notice to any such society, require that any or all agents of such society to be named as licensees in renewal licenses shall execute and file separate applications for the renewal of such licenses, as hereinbefore specified, and he may also require that each such application shall be accompanied by the certificate specified in paragraph (b) (2) of subsection (4) of this section.

(5) Notice of Termination of Appointment of Insurance Agent. Every society doing business in this State shall, upon the termination of the appointment of any insurance agent licensed to represent it in this State, forthwith file with the commissioner a statement, in such form as he may prescribe, of the facts relative to such termination and the cause thereof. Every statement made pursuant to this section shall be deemed a privileged communication.

(6) Revocation or Suspension of Insurance Agent's License.

(a) The commissioner may revoke, or may suspend for such period as he may determine, any insurance agent's license if, after notice and hearing as specified in this section, he determines that the licensee has:

(1) Violated any provision of, or any obligation imposed by, this section, or has violated any law in the course of his dealings as agent;

(2) made a material misstatement in the application for such license;

(3) been guilty of fraudulent or dishonest practices;

(4) demonstrated his incompetency or untrustworthiness to act as an insurance agent; or

(5) been guilty of rebating as defined by the laws of this State applicable to life insurance companies.

(6) The revocation or suspension of any insurance agent's license shall terminate forthwith the license of such agent. No individual whose license has been revoked shall be entitled to obtain any insurance agent's license under the provisions of this section for a period of 1 year after such revocation or, if such revocation be Judicially reviewed, for 1 year after the final determination thereof affirming the action of the commissioner in revoking such license.

C. 17:44A-30.
Service of
process.

30. Service of Process. Every foreign or alien society authorized to do business in this State shall appoint in writing the commissioner and each successor in office to be its true and lawful attorney upon whom all lawful process in any action or proceeding against it shall be served, and shall agree in such writing that any lawful process against it which is served on said attorney shall be of the same legal force and validity as if served upon the

society, and that the authority shall continue in force so long as any liability remains outstanding in this State.

31. Review. All decisions and findings of the commissioner made under the provisions of this act shall be subject to review by the Superior Court in a proceeding in lieu of a prerogative writ.

C. 17:44A-31.
Review of
commissioner's
findings.

32. Funds. All assets shall be held, invested and disbursed for the use and benefit of the society and no member or beneficiary shall have or acquire individual rights therein or become entitled to any apportionment or the surrender of any part thereof, except as provided in the contract.

C. 17:44A-32.
Use of funds.

A society may create, maintain, invest, disburse and apply any special fund or funds necessary to carry out any purpose permitted by the laws of such society.

Every society, the admitted assets of which are less than the sum of its accrued liabilities and reserves under all of its certificates when valued according to standards required for certificates issued after 1 year from the effective date of this act, shall, in every provision of the laws of the society for payments by members of such society, in whatever form made, distinctly state the purpose of the same and the proportion thereof which may be used for expenses, and no part of the money collected for mortuary or disability purposes or the net accretions thereto shall be used for expenses.

33. Investments. A society shall invest its funds only in such investments as are authorized by the laws of this State for the investment of assets of life insurance companies and subject to the limitations thereon. Any foreign or alien society permitted or seeking to do business in this State which invests its funds in accordance with the laws of the State, district, territory, country or province in which it is incorporated, shall be held to meet the requirements of this section for the investment of funds.

C. 17:44A-33.
Investments.

C. 17:44A-34.
Reports and
valuations.

34. Reports and Valuations. Reports shall be filed and synopses of annual statements shall be published in accordance with the provisions of this section.

(1) Every society transacting business in this State shall annually, on or before March 1, unless for cause shown such time has been extended by the commissioner, file with the commissioner a true statement of its financial condition, transactions and affairs for the preceding calendar year and pay a fee of \$20.00 for filing same. The statement shall be in general form and context as approved by the National Association of Insurance Commissioners for fraternal benefit societies and as supplemented by additional information required by the commissioner.

(2) A synopsis of its annual statement providing an explanation of the facts concerning the condition of the society thereby disclosed shall be printed and mailed to each benefit member of the society not later than June 1 of each year, or, in lieu thereof, such synopsis may be published in the society's official publication.

(3) As a part of the annual statement herein required, each society shall, on or before March 1, file with the commissioner a valuation of its certificates in force on December 31 last preceding provided, the commissioner may, in his discretion for cause shown, extend the time for filing such valuation for not more than 2 calendar months. Such report of valuation shall show, as reserved liabilities, the difference between the present mid-year value of the promised benefits provided in the certificates of such society in force and the present mid-year value of the future net premiums as the same are in practice actually collected, not including therein any value for the right to make extra assessments and not including any amount by which the present mid-year value of future net premiums exceeds the present mid-year value of promised benefits on individual certificates. At the option of any society, in lieu of the above, the

valuation may show the net tabular value. Such net tabular value as to certificates issued prior to 1 year after the effective date of this act shall be determined in accordance with the provisions of law applicable prior to the effective date of this act and as to certificates issued 1 year from the effective date of this act, and thereafter, shall not be less than the reserves determined according to the Commissioners' Reserve Valuation method as hereinafter defined. If the premium charged is less than the tabular net premium according to the basis of valuation used, an additional reserve equal to the present value of the deficiency in such premiums shall be set up and maintained as a liability. The reserve liabilities shall be properly adjusted in the event that the mid-year or tabular values are not appropriate.

(4) Reserves according to the Commissioners' Reserve Valuation method, for the life insurance and endowment benefits of certificates providing for a uniform amount of insurance and requiring the payment of uniform premiums shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided for by such certificates, over the then present value of any future modified net premiums therefor. The modified net premiums for any such certificate shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the certificate, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided for by the certificate and the excess of (a) over (b) as follows:

(a) a net level premium equal to the present value, at the date of issue, of such benefits provided for after the first certificate year, divided by the present value, at the date of issue, of an annuity of 1 per annum payable on the first and each subsequent anniversary of such certificate on which a premium falls due; pro-

vided however, that such net level annual premium shall not exceed the net level annual premium on the 19-year premium whole life plan for insurance of the same amount at an age 1 year higher than the age at issue of such certificate; and

(b) a net 1-year term premium for such benefits provided for in the first certificate year.

Reserves according to the Commissioners' Reserve Valuation method for (1) life insurance benefits for varying amounts of benefits or requiring the payment of varying premiums, (2) annuity and pure endowment benefits, (3) disability and accidental death benefits in all certificates and contracts, and (4) all other benefits except life insurance and endowment benefits, shall be calculated by a method consistent with the principles of this subsection.

(5) The present value of deferred payments due under incurred claims or matured certificates shall be deemed a liability of the society and shall be computed upon mortality and interest standards prescribed in the following subsection.

(6) Such valuation and underlying data shall be certified by a competent actuary, or at the expense of the society, verified by the actuary of the Department of Insurance of the State of domicile of the society, if such department consents to undertake the valuation.

The minimum standards of valuation for certificates issued prior to 1 year from the effective date of this act shall be for adult certificates the "National Fraternal Congress Table of Mortality" and 4% interest and for certificates on the lives of children the "Standard Industrial Mortality Table" or the "English Life Table Number 6" and 4% interest, but the minimum standards shall not be lower than the standards used in the calculating of rates for such certificates.

The minimum standard of valuation for certificates issued 1 year from the effective date of this

act, and thereafter, shall be $3\frac{1}{2}\%$ interest and the following tables:

(a) for certificates of life insurance—American Men Ultimate Table of Mortality, with Bowerman's or Davis' Extension thereof or, with the consent of the commissioner, the Commissioner's 1941 Standard Ordinary Mortality Table or the Commissioner's 1941 Standard Industrial Table of Mortality;

(b) for annuity certificates, including life annuities provided or available under optional modes of settlement in such certificates—the 1937 Standard Annuity Table;

(c) for disability benefits issued in connection with life benefit certificates—Hunter's Disability Table, which, for active lives, shall be combined with a mortality table permitted for calculating the reserves on life insurance certificates, except that the table known as Class III Disability Table (1926) modified to conform to the contractual waiting period, shall be used in computing reserves for disability benefits under a contract which presumes that total disability shall be considered to be permanent after a specified period;

(d) for accidental death benefits issued in connection with life benefit certificates—the Inter-Company Double Indemnity Mortality Table combined with a mortality table permitted for calculating the reserves for life insurance certificates; and

(e) for noncancellable accident and health benefits—the Class III Disability Table (1926) with conference modifications or, with the consent of the commissioner, tables based upon the society's own experience.

The commissioner may, in his discretion, accept other standards for valuation if he finds that the reserves produced thereby will not be less in the aggregate than reserves computed in accordance

with the minimum valuation standard herein prescribed. The commissioner may, in his discretion, vary the standards of mortality applicable to all certificates of insurance on substandard lives or other extra hazardous lives by any society authorized to do business in this State. Whenever the mortality experience under all certificates valued on the same mortality table is in excess of the expected mortality according to such table for a period of 3 consecutive years, the commissioner may require additional reserves when deemed necessary in his judgment on account of such certificates.

Any society, with the consent of the commissioner of the State of domicile of the society and under such conditions, if any, which he may impose, may establish and maintain reserves on its certificates in excess of the reserves required thereunder, but the contractual rights of any insured member shall not be affected thereby.

(7) A society neglecting to file the annual statement in the form and within the time provided by this section shall be penalized \$100.00 for each day during which such neglect continues, and, upon notice by the commissioner to that effect, its authority to do business in this State shall cease while such default continues.

C. 17:44A-35.
Examination
of domestic
societies.

35. Examination of Domestic Societies. The commissioner, or any person he may appoint, shall have the power of visitation and examination into the affairs of any domestic society and he shall make such examination at least once in every 3 years. He may employ assistants for the purpose of such examination, and he, or any person he may appoint, shall have free access to all books, papers and documents that relate to the business of the society. The minutes of the proceedings of the supreme legislative or governing body and of the board of directors or corresponding body of a society shall be in the English language. In making any such examination the commissioner may summon and qualify as witnesses under oath and ex-

amine its officers, agents and employees or other persons in relation to the affairs, transactions and condition of the society. amended.

2. Section 54 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-54.
Limitations.

54. Limitations.

A. A bank which makes a loan to which this article applies shall not

(1) require that more than 1 installment be payable in any 1 payment-period, except that the last 2 installments may be payable in the same payment-period. Every such loan shall provide for payment-periods of equal duration measured in terms of weeks or months, except that the period scheduled to elapse between the making of the loan and the date when the first installment is scheduled to be paid, hereinafter in this paragraph referred to as "the initial payment-period" may be longer than any other payment-period, but may not exceed 60 days. Any such loan may provide for the omission of installments during any period not exceeding 93 days in any 1 12-month period. When the period during which installments are so omitted falls within or coincides with the initial payment-period as hereinabove defined, the initial payment-period may be longer than any other payment-period, but may not exceed 93 days. Except as herein otherwise expressly provided, no payment-period shall be shorter than 1 week or longer than 1 month;

(2) require that the amount of any installment be greater than or less than that of any other installment, except that the final installment may be not more than \$1.00 more or less than any previous installment;

(3) prior to default, directly or indirectly take any security for any such loan other than an interest in tangible personal property;

(4) make any class I loan unless its final installment shall be due and payable not later than 2 years and 1 month subsequent to the making of the loan; or make any class II loan unless its final installment shall be due and payable not later than 3 years and 1 month subsequent to the making of the loan; or make any class III loan unless its final installment shall be due and payable not more than 5 years and 1 month subsequent to the making of the loan; provided, that the commissioner may, from time to time, make, alter and repeal regulations governing class II loans, in respect to (1) the maximum maturity, not to be less than 2 years and 1 month or more than 3 years and 1 month, which may be stipulated in any such loan; (2) the methods of determining purchase prices or market values of the tangible personal property taken as security for class II loans or other bases for computing the maximum amount which may be loaned on class II loans; and (3) special or different terms, conditions or exemptions with respect to class II loans secured by new or by used tangible personal property, and with respect to the kind and character of the tangible personal property, including, in the case of new goods financed in whole or in part with the proceeds of any class II loan, the required minimum original cash payment;

(5) make any further interest or other charge or demand, in connection with such loan, other than those expressly authorized by this article;

(6) make any such loan for the payment of which any person shall be liable to the bank in any capacity, if the amount of the net proceeds of such loan, and the amounts of the principal balances owing on all other loans to which this

article applies, for the payment of which such person is liable to such bank in any capacity, will, in the aggregate, exceed \$5,500.00. For the purposes of this paragraph, the principal balance owing on a loan to which this article applies shall be deemed to be the face amount of the instrument evidencing such loan, less the aggregate of all installments paid thereon, and less a credit computed according to the formula contained in section 56. If, for the purpose of determining the maximum amount in which a person may be liable to a bank, any law of this State provides that the liability of a person to a bank on loans to which this article applies shall be added to the liability of such person on loans made pursuant to such law, then, for the purpose of applying the \$5,500.00 limitation imposed by this paragraph, the amount of such person's liability to repay the principal amount, without interest or other charges, of loans made pursuant to such law, shall be considered as a liability of such person on loans to which this article applies.

B. Nothing in this section or elsewhere in this article contained shall prevent a bank from making a loan to which this article applies, the proceeds of which will be applied in whole or in part to the repayment at or before final maturity of a loan theretofore made under the provisions of this article or otherwise.

Section
amended.

3. Section 56 of the act of which this act is amendatory is amended to read as follows:

C. 17:9A-56.
Rebates on
prepayments.

56. Rebates on prepayment.

A. When the unpaid balance owing upon a loan to which this article applies is repaid in full or the maturity of the unpaid balance of such loan is accelerated before the date scheduled for the payment of the final installment, the bank shall allow a credit on account of the interest taken in advance, the amount of which shall not be less than the

amount determined by the application of the formula

$$C = \frac{AN}{D} \text{ in which}$$

“C” represents the amount of the credit to be given;

“A” represents the amount of interest taken in advance;

“D” is determined by ascribing to each payment-period included in the period for which interest was taken in advance, reckoning from the day upon which the loan was made, the cardinal number descriptive of the number of payment-periods scheduled, by the terms of the loan, to elapse from the beginning of each such payment-period, to the date to which interest was taken in advance, and the total of all the cardinal numbers so ascribed constitutes the quantity “D”; and “N” represents the difference between the quantity “D” and the total of all the cardinal numbers ascribed to the payment-periods which have elapsed, in whole or in part, from the making of the loan, to the day upon which such repayment is made, or to the day upon which the maturity of the unpaid balance of such loan is accelerated, as the case may be.

B. The commissioner may prepare and distribute to such banks as shall make a request therefor, a schedule or schedules based upon the formula specified in subsection A of this section, for use in determining the credit to be allowed pursuant to such subsection, and allowances of interest made as provided in such schedule shall constitute a complete compliance with such subsection. A copy of such schedule, duly certified by the commissioner, shall be evidence in all courts and places.

C. This section shall not apply where the amount of the credit to be allowed is less than \$1.00.

4. This act shall take effect immediately.

Approved December 2, 1959.

Section
amended.

1. Section 4 of the act of which this act is amendatory is amended to read as follows:

C. 17:44A-4.
Organization.

4. Organization. After the effective date of this act no domestic fraternal benefit society, other than 1 exempt from the provisions of this act in accordance with section 42, shall be formed except as follows:

(1) Seven or more citizens of the United States, a majority of whom are citizens of this State, who desire to form a fraternal benefit society, may make, sign and acknowledge before some officer, competent to take acknowledgment of deeds, articles of incorporation, in which shall be stated:

(a) the proposed corporate name of the society, which shall not so closely resemble the name of any society or insurance company as to be misleading or confusing;

(b) the purposes for which it is being formed and the mode in which its corporate powers are to be exercised. Such purposes shall not include more liberal powers than are granted by this act, provided that any lawful social, intellectual, educational, charitable, benevolent, moral, fraternal or religious advantages may

be set forth among the purposes of the society;
and

(c) the names and residences of the incorporators and the names, residences and official titles of all the officers, trustees, directors, or other persons who are to have and exercise the general control of the management of the affairs and funds of the society for the first year or until the ensuing election at which all such officers shall be elected by the supreme legislative or governing body, which election shall be held not later than 1 year from the date of the issuance of the certificate referred to in subdivision 5 of this section.

(2) Such articles of incorporation, duly certified copies of the constitution, laws and rules, copies of all proposed forms of certificates, applications therefor, and circulars to be issued by the society and a bond conditioned upon the return to applicants of the advanced payments if the organization is not completed within 1 year or within such extended period as is authorized by the commissioner, shall be filed with the commissioner, who may require such further information as he deems necessary. The bond with sureties approved by the commissioner shall be in such amount, not less than \$5,000.00, as required by the commissioner. All documents filed are to be in the English language. If the purposes of the society conform to the requirements of this act and all provisions of the law have been complied with, the commissioner shall so certify, retain and file the articles of incorporation and furnish the incorporators a preliminary certificate authorizing the society to solicit members as hereinafter provided.

(3) No preliminary certificate granted under the provisions of this section shall be valid after 1 year from its date or after such further period, not exceeding 1 year, as may be authorized by the commissioner upon cause shown, unless the 500 applicants hereinafter required have been secured and

the organization has been completed as herein provided. The articles of incorporation and all other proceedings thereunder shall become null and void in 1 year from the date of the preliminary certificate, or at the expiration of the extended period, unless the society shall have completed its organization and received a certificate of authority to do business as hereinafter provided.

(4) Upon receipt of a preliminary certificate from the commissioner, the society may solicit members for the purpose of completing its organization, shall collect from each applicant the amount of not less than 1 regular monthly premium in accordance with its table of rates as provided by its constitution and laws, and shall issue to each such applicant a receipt for the amount so collected. No society shall incur any liability other than for the return of such advance premium, nor issue any certificate, nor pay, allow, or offer or promise to pay or allow, any death or disability benefit to any person until:

(a) actual bona fide applications for death benefits have been secured aggregating at least \$500,000.00 on not less than 500 lives;

(b) all such applicants for death benefits shall have furnished evidence of insurability satisfactory to the society;

(c) certificates of examinations or acceptable declarations of insurability have been duly filed and approved by the chief medical examiner of the society;

(d) ten subordinate lodges or branches have been established into which the 500 applicants have been admitted;

(e) there has been submitted to the commissioner, under oath of the president or secretary, or corresponding officer of the society, a list of such applicants, giving their names, addresses, date each was admitted, name and number of the subordinate branch of which

each applicant is a member, amount of benefits to be granted and premiums therefor; and

(f) it shall have been shown to the commissioner by sworn statement of the treasurer, or corresponding officer of such society, that at least 500 applicants have each paid in cash at least 1 regular monthly premium as herein provided, which premiums in the aggregate shall amount to at least \$2,500.00, all of which shall be credited to the fund or funds from which benefits are to be paid and no part of which may be used for expenses. Said advance premiums shall be held in trust during the period of organization and if the society has not qualified for a certificate of authority within 1 year or within such extended period as is authorized by the commissioner, as herein provided, such premiums shall be returned to said applicants.

(5) The commissioner may make such examination and require such further information as he deems advisable. Upon presentation of satisfactory evidence that the society has complied with all the provisions of law, he shall issue to the society a certificate to that effect and that the society is authorized to transact business pursuant to the provisions of this act. The certificate shall be prima facie evidence of the existence of the society at the date of such certificate. The commissioner shall cause a record of such certificate to be made. A certified copy of such record may be given in evidence with like effect as the original certificate.

(6) A society may provide in its constitution or by-laws for the management of its affairs and the fixing and readjusting of the rates of its members from time to time. A society shall have such powers as are necessary and incidental to carrying into effect its objects and purposes.

2. Section 5 of the act of which this act is amendatory is amended to read as follows:

corporate.

6. Existing Voluntary Associations—May Incorporate. After May 31 next succeeding 1 year after the effective date of this act, no unincorporated or voluntary association shall be permitted to transact business in this State as a fraternal benefit society.

Any domestic unincorporated or voluntary association authorized to transact business in this State on the effective date of this act may incorporate and shall receive from the commissioner the certificate provided for in section 4 (5) of this act when:

(a) it shall have completed its conversion to an incorporated society not later than May 31 next succeeding 1 year after the effective date of this act;

(b) it has filed its articles of incorporation and has satisfied the other applicable requirements described in section 4; and

(c) the commissioner shall have made such examination and procured such additional information as he shall deem advisable.

Every voluntary association so incorporated shall incur the obligations and enjoy the benefits of this act the same as though originally incorporated hereunder, and such corporation shall be deemed a continuation of the original voluntary association. The officers thereof shall serve through their respective terms as provided in its original articles of association, but their successors shall be elected and serve as provided in its articles of incorporation. Incorporation of a voluntary association shall not affect existing suits, claims or contracts.

4. Section 16 of the act of which this act is amendatory is amended to read as follows:

Section
amended.

16. Benefits on Lives of Children. A society may provide for benefits on the lives of children under the minimum age for adult membership but not greater than 21 years of age at time of application therefor, upon the application of some adult person, as its laws or rules may provide, which benefits shall be in accordance with the provisions of section 15 (1) of this act. A society may, at its option, organize and operate branches for such children. Membership and initiation in local lodges shall not be required of such children, nor shall they have a voice in the management of the society.

C. 17:44A-16.
Benefits on

children.

Children insured under certificates issued pursuant to this section shall become members of the adult branch of the society upon attaining the minimum age for adult membership under the laws of the society.

A society shall have power to provide for the designation and changing of designation of beneficiaries in the certificates providing for such benefits and to provide in all other respects for the regulation, government and control of such certificates and all rights, obligations and liabilities incident thereto and connected therewith.

5. Section 17 of the act of which this act is amendatory is amended to read as follows:

Section
amended.

17. Nonforfeiture Benefits, Cash Surrender Values, Certificate Loans and Other Options. A society may grant paid-up nonforfeiture benefits, cash surrender values, certificate loans and such other options as its laws may permit. As to certificates issued 1 year from the effective date of this act, and thereafter, a society shall grant at least 1 paid-up nonforfeiture benefit.

Non-
forfeiture
benefits.

In the case of certificates other than those for which reserves are computed on the Commissioners 1941 Standard Ordinary Mortality Table or the 1941 Standard Industrial Table, the value of every paid-up nonforfeiture benefit and the amount of any cash surrender value, loan or other option

granted shall not be less than the excess, if any, of (a) over (b) as follows:

(a) the reserve under the certificate determined on the basis specified in the certificate; and

(b) the sum of any indebtedness to the society on the certificate, including interest due and accrued, and a surrender charge equal to $2\frac{1}{2}\%$ of the face amount of the certificate, which, in the case of insurance on the lives of children, shall be the ultimate face amount of the certificate, if death benefits provided therein are graded.

However, in the case of certificates issued on a substandard basis or in the case of certificates, the reserves for which are computed upon the American Men Ultimate Table of Mortality, the term of any extended insurance benefit granted including accompanying pure endowment, if any, may be computed upon the rates of mortality not greater than 130% of those shown by the mortality table specified in the certificate for the computation of the reserve.

In the case of certificates for which reserves are computed on the Commissioners 1941 Standard Ordinary Mortality Table or the 1941 Standard Industrial Table, every paid-up nonforfeiture benefit available under the certificate in the event of default in a premium payment due on any policy anniversary shall be such that its present value as of such anniversary shall be an amount not less than the excess, if any, of the present value, on such anniversary, of the future guaranteed benefits which would have been provided for by the certificate, including any existing paid-up additions, if there had been no default, over the sum of (1) the then present value of the adjusted premiums as hereinafter defined, corresponding to premiums which would have fallen due on and after such anniversary, and (2) the amount of any indebtedness to the society on the certificate. Any cash surrender value available within 30 days after any policy anniversary under any certificate paid up by completion of all premium payments or any certificate

continued under any paid-up nonforfeiture benefit shall be an amount not less than the present value, on such anniversary, of the future guaranteed benefits provided for by the certificate, including any existing paid-up additions, decreased by any indebtedness to the society on the certificate.

The adjusted premiums for any certificate shall be calculated on an annual basis and shall be such uniform percentage of the respective premiums specified in the certificate for each policy year that the present value, at the date of issue of the certificate, of all such adjusted premiums shall be equal to the sum of (1) the then present value of the future guaranteed benefits provided for by the certificate; (2) 2% of the amount of insurance, if the insurance be uniform in amount, or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the certificate; (3) 40% of the adjusted premium for the first policy year; (4) 25% of either the adjusted premium for the first policy year or the adjusted premium for a whole life certificate of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less; provided, however, that in applying the percentage specified in (3) and (4) above, no adjusted premium shall be deemed to exceed 4% of the amount of insurance or level amount equivalent thereto. The date of issue of a certificate for the purpose of this paragraph shall be the date as of which the rated age of the insured is determined. In the case of a certificate providing an amount of insurance varying with duration of the policy, the equivalent level amount thereof for the purpose of this paragraph shall be deemed to be the level amount of insurance provided by an otherwise similar certificate, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the inception of the insurance as the benefits under the certificate.

All adjusted premiums and present values referred to above shall be calculated on the basis of the Commissioners 1941 Standard Ordinary Table or the 1941 Standard Industrial Table and the rate of interest, not exceeding $3\frac{1}{2}\%$ per annum, specified in the certificate for calculating cash surrender values and paid-up nonforfeiture benefits; provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be not more than 130% of the rates of mortality according to such applicable table. Any cash surrender value and any paid-up nonforfeiture benefit, available under the certificate in the event of default in a premium payment due at any time other than on the policy anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums beyond the last preceding policy anniversary. All values referred to above may be calculated upon the assumption that any death benefit is payable at the end of the policy year of death. The net value of any paid-up additions, other than paid-up term additions, shall not be less than the dividends used to provide such additions. Additional benefits payable (1) in the event of death or dismemberment by accident or accidental means, (2) in the event of total and permanent disability, (3) as reversionary annuity or deferred reversionary annuity benefits, (4) as reducing term insurance benefits provided by a rider or supplemental policy provisions, and (5) as other policy benefits additional to life insurance and endowment benefits, and premiums for all such additional benefits, shall be disregarded in ascertaining cash surrender and nonforfeiture benefits as described above and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits.

6. Section 23 of the act of which this act is amendatory is amended to read as follows:

Section
amended.

23. Non-Waiver. The constitution and laws of the society shall provide that no subordinate body, nor any of its subordinate officers or members shall have the power or authority to waive any of the provisions of the laws and constitution of the society which are required by this act. Such provisions shall be binding on the society and every member and beneficiary of a member.

C. 17:44A-23.

Foreign or alien societies which are authorized to transact business in this State on the effective date of this act may continue such business until June 1 next succeeding 1 year after the effective date of this act. The authority of such societies and all foreign or alien societies hereafter licensed, may thereafter be renewed annually, but in all cases to terminate on the succeeding June 1. However, a license so issued shall continue in full force and effect until the new license be issued or specifically refused. A duly certified copy or duplicate of such license shall be prima facie evidence that the licensee is a fraternal benefit society within the meaning of this act.

(a) societies which do not provide benefits by contract;

(c) domestic societies, which limit their membership to employees of a particular city or town, designated firm, business house or corporation which provide a death benefit of not more than \$400.00 or disability benefits of not more than \$350.00 to any person in any year, or both; or

Every society which provides for benefits in case of death or disability resulting solely from accident, and which does not obligate itself to pay natural death or sick benefits shall have all of the privileges and be subject to all the applicable provisions and regulations of this act except that the provisions thereof relating to medical examinations, valuations or benefit certificates, and incontestability, shall not apply to such society.

The commissioner may require from any society, by examination or otherwise, such information as will enable him to determine whether such society is exempt from the provisions of this act.

Societies exempted under the provisions of this section shall also be exempt from all other provisions of the insurance laws of this State.

When, pursuant to this act, the final installment of a loan to which this act applies is due and payable more than 3 years and 1 month subsequent to the making of such loan, the association may make such loan in such amount that the net proceeds thereof shall equal a predetermined sum, and may take interest in advance upon the full amount of such loan for the period from the making of the loan to the date of maturity of the final installment. The full amount of such loan shall not exceed the aggregate of the net proceeds and the amount of interest which may be taken in advance, as determined by the application of the formula

$$I = \frac{.097166A (P + 1)}{2N}$$

in which "A" represents the amount of the predetermined net proceeds, and "P," "I" and "N" have the same meanings as "P," "I" and "N" in section 4 of this act.

6. Schedules of charges.

The commissioner may prepare and distribute to such associations as shall make a request therefor, a schedule or schedules based upon the formulas contained in sections 4 and 5 of this act, or he may approve a subsisting schedule or schedules based upon the said formulas, and interest taken in advance pursuant to such schedule or schedules shall constitute a complete compliance with the provisions of this act. A copy of such schedule or schedules, certified by the commissioner, shall be evidence in all courts and places.

C. 17:12A-8.
Rebates on
prepayments.

7. Rebates on prepayment.

When the unpaid balance owing upon a loan to which this act applies is repaid in full or the maturity of the unpaid loan is accelerated before the date scheduled for the payment of the final installment, the association shall allow a credit on account of the interest taken in advance, the amount of which shall not be less than the amount determined by the application of the formula

$$C = \frac{AN}{D} \text{ in which}$$

“C” represents the amount of the credit to be given; “A” represents the amount of interest taken in advance; “D” is determined by ascribing to each payment-period included in the period for which interest was taken in advance, reckoning from the day upon which the loan was made, the cardinal number descriptive of the number of payment-periods scheduled, by the terms of the loan, to elapse from the beginning of each such payment-period, to the date to which interest was taken in advance, and the total of all the cardinal numbers so ascribed constitutes the quantity “D”; and “N” represents the difference between the quantity “D” and the total of all the cardinal numbers ascribed to the payment-periods which have elapsed, in whole or in part, from the making of the loan, to

the day upon which such repayment is made, or to the day upon which the maturity of the unpaid balance of such loan is accelerated, as the case may be.

The commissioner may prepare and distribute to such associations as shall make a request therefor, a schedule or schedules based upon the formula specified in this section for use in determining the credit to be allowed pursuant to this section, and allowances of interest made as provided in such schedule shall constitute a complete compliance with this section. A copy of such schedule, duly certified by the commissioner, shall be evidence in all courts and places.

This section shall not apply where the amount of the credit to be allowed is less than \$1.00.

C. 14:18-1.

In this act, unless the context otherwise requires:

Terms defined.

(b) "Claim of beneficial interest" includes a claim of any interest by a decedent's legatee, distributee, heir or creditor, a beneficiary under a trust, a ward, a beneficial owner of a security registered in the name of a nominee, or a minor owner of a security registered in the name of a custodian, or a claim of any similar interest, whether the claim is asserted by the claimant or by a fiduciary or by any other authorized person on his behalf, and includes a claim that the transfer would be in breach of fiduciary duties.

(c) "Corporation" means a private or public corporation, association or trust issuing a security.

(d) "Fiduciary" means an executor, administrator, trustee, guardian, committee, conservator, curator, tutor, custodian or nominee.

(e) "Person" includes an individual, a corporation, government or governmental subdivision or agency, business trust, estate, trust, partnership or association, 2 or more persons having a joint or common interest, or any other legal or commercial entity.

(g) "Transfer" means a change on the books of a corporation in the registered ownership of a security.

(h) "Transfer agent" means a person employed or authorized by a corporation to transfer securities issued by the corporation.

C. 14:18-2.
Registration
in the name
of a fiduciary.

2. Registration in the Name of a Fiduciary.

A corporation or transfer agent registering a security in the name of a person who is a fiduciary or who is described as a fiduciary is not bound to inquire into the existence, extent, or correct description of the fiduciary relationship, and thereafter the corporation and its transfer agent may assume without inquiry that the newly registered owner continues to be the fiduciary until the corporation or transfer agent receives written notice that the fiduciary is no longer acting as such with respect to the particular security.

C. 14:18-3.
Assignment
by a fiduciary.

3. Assignment by a Fiduciary.

Except as otherwise provided in this act, a corporation or transfer agent making a transfer of a security pursuant to an assignment by a fiduciary

(a) may assume without inquiry that the assignment, even though to the fiduciary himself or to his nominee, is within his authority and capacity and is not in breach of his fiduciary duties;

(b) may assume without inquiry that the fiduciary has complied with any controlling instrument and with the law of the jurisdiction governing the fiduciary relationship, including any law requiring the fiduciary to obtain court approval of the transfer; and

(c) is not charged with notice of and is not bound to obtain or examine any court record or any recorded or unrecorded document relating to the fiduciary relationship or the assignment, even though the record or document is in its possession.

4. Evidence of Appointment or Incumbency.

C. 14:18-4.

A corporation or transfer agent making a transfer pursuant to an assignment by a fiduciary who is not the registered owner shall obtain the following evidence of appointment or incumbency:

Corporations and transfer agents may adopt standards with respect to evidence of appointment or incumbency under this subsection (b) provided such standards are not manifestly unreasonable. Neither the corporation nor transfer agent is charged with notice of the contents of any document obtained pursuant to this subsection (b) except to the extent that the contents relate directly to the appointment or incumbency.

5. Adverse Claims.

C. 14:18-5.
Adverse
claims.

(a) A person asserting a claim of beneficial interest adverse to the transfer of a security pursuant to an assignment by a fiduciary may give the corporation or transfer agent written notice of the claim. The corporation or transfer agent is not put on notice unless the written notice identifies the claimant, the registered owner and the issue of which the security is a part, provides an address for communications directed to the claimant and is received before the transfer. Nothing in this act relieves the corporation or transfer agent of any liability for making or refusing to make the transfer after it is so put on notice, unless it proceeds in the manner authorized in subsection (b).

(b) As soon as practicable after the presentation of a security for transfer pursuant to an assignment by a fiduciary, a corporation or transfer agent which has received notice of a claim of beneficial interest adverse to the transfer may send notice of the presentation by registered or certified mail to the claimant at the address given by him. If the corporation or transfer agent so mails such a notice it shall withhold the transfer for 30 days after the mailing and shall then make the transfer unless restrained by a court order.

C. 14:18-6.

corporation
and transfer
agent.

6. Nonliability of Corporation and Transfer Agent.

A corporation or transfer agent incurs no liability to any person by making a transfer or otherwise acting in a manner authorized by this act.

C. 14:18-7.
Nonliability of
third persons.

7. Nonliability of Third Persons.

(a) No person who participates in the acquisition, disposition, assignment or transfer of a security by or to a fiduciary including a person who guarantees the signature of the fiduciary is liable for participation in any breach of fiduciary duty by reason of failure to inquire whether the transaction involves such a breach unless it is shown that he acted with actual knowledge that the proceeds of the transaction were being or were to be used wrongfully for the individual benefit of the fiduciary or that the transaction was otherwise in breach of duty.

[SEAL] Given under my hand and the Great Seal of the State of New Jersey, this second day of February, A. D. one thousand nine hundred and fifty-nine, and in the Independence of the United States, the one hundred and eighty-third.

ROBERT B. MEYNER,

Governor.

By the Governor,

EDWARD J. PATTEN,
Secretary of State.

PROCLAMATION

STATE OF NEW JERSEY,
EXECUTIVE DEPARTMENT.

WHEREAS, As a result of a report made on the 28th day of January, 1959, by the Deputy Director, Division of Taxation, Department of the Treasury, to the Governor of this State, setting forth that the Cedar Brook Oil and Construction Co., a corporation of this State, had failed to pay the corporation franchise taxes levied against said corporation for the year 1956, the Governor of this State, on the 4th day of February, 1959, issued a Proclamation declaring that the charter of said corporation is repealed and that all powers conferred by law upon such corporation be thereafter inoperative and void; and

WHEREAS, Said report of the Deputy Director, Division of Taxation, Department of the Treasury, to the Governor in the above particular was inadvertently made in that it appears that prior to the making of the said report, the Cedar Brook Oil and Construction Co. duly paid the corporation franchise taxes levied against said corporation for the year 1956;

THEREFORE, Acting pursuant to the provisions of R. S. 54:11-4, I, ROBERT B. MEYNER, Governor of the State of New Jersey, do hereby declare and make known that it has been established to my satisfaction that said Cedar Brook Oil and Construction Co. did not neglect or fail to pay the corporation franchise taxes levied against it for the year 1956, but that said corporation duly paid the taxes levied against it for said year; that the report made on the 28th day of January, 1959, by the Deputy Director, Division of Taxation, Department of the Treasury, to the Governor, stating that said corporation had failed to pay the said corporation franchise taxes, was inadvertently made and that

the Proclamation of the Governor on the 4th day of February, 1959, declaring that the powers conferred by law upon the said corporation be thereafter inoperative and void, was without warrant in the law in the way of depriving said corporation of its said powers as a corporation of this State, and I hereby make proclamation to that effect.

Given, under my hand and the Great
[SEAL] Seal of the State of New Jersey, this
twenty-second day of June, in the year
of Our Lord one thousand nine hundred
and fifty-nine, and in the Independence
of the United States, the one hundred
and eighty-third.

ROBERT B. MEYNER,
Governor.

By the Governor:
EDWARD J. PATTEN,
Secretary of State.
